CELG(4)-12-15 Papur 1 / Paper 1

The Chartered Institute of Housing (CIH) is the independent voice for housing and the home of professional standards. Our goal is simple – to provide housing professionals with the advice, support and knowledge they need to be brilliant. CIH is a registered charity and not-for-profit organisation. This means that the money we make is put back into the organisation and funds the activities we carry out to support the housing sector. We have a diverse membership of people who work in both the public and private sectors, in 20 countries on five continents across the world. Further information is available at: www.cih.org

In Wales, we aim to provide a professional and impartial voice for housing across all sectors to emphasise the particular context of housing in Wales and to work with organisations to identify housing solutions.

Introduction

CIH welcomes the opportunity to present evidence to the Communities, Equality and Local Government Committee for stage 1 scrutiny of the Renting Homes (Wales) Bill.

CIH is the professional body for people working in housing and communities, with over 22,000 members across the UK, Ireland, Canada and Asia Pacific. Our mission is to maximise the contribution that our members make to the well being of communities.

We have provided written submissions to previous consultations on issues relating to the Bill and this paper draws heavily from these. In relation to the Bill itself, our response is informed by feedback from our members, our knowledge of the sector and expertise from our policy and practice teams.

General Comments

CIH Cymru supports the development of Welsh policies, practices and legislation that aim to addressing the key housing challenges we face. We promote a *one housing system* approach that:

- places the delivery of affordable housing at the top of national, regional and local strategies and secures investment to ensure good and sustainable quality of all homes.
- promotes the concept of housing led regeneration to capture the added value that housing brings in terms of economic, social and environmental outcomes.
- recognises the central role of Welsh Government as the housing 'system steward' to deliver an integrated housing system that encompasses all sectors and tenure options.

- recognises that meeting the housing needs of our communities is a key aspect of tackling inequality and poverty.
- ensures that there are properly resourced support services in place to prevent homelessness and protect the most vulnerable and supports the key role of local authorities as strategic housing enablers.
- utilises the existing housing stock including initiatives to bring the wasted resource of empty homes back into use.
- uses current and potential financial powers to intervene in housing markets and provide more homes and supports the development of innovative funding models.
- supports the development of new models of ownership and control including co-operative housing.
- recognises the critical role that housing professionals play in delivering good quality housing-related services, including fair access, safe communities and sustainable tenancies.

General Principles of the bill

1. CIH Cymru broadly welcomes the content and the aim of the Renting Homes (Wales) bill. We support the intention to complete tenancy reform and provide a consistent, clear rental framework in Wales, as we supported the previous Law Commission proposals and have been advocating a single tenancy for social housing since 1997.
2. We believe that a new statutory framework bringing together the multiple laws and legislative requirements on occupancy arrangements in Wales will benefit all stakeholders; tenants, landlords and statutory organisations responsible for regulation and enforcement, and will support Welsh Government's one-system approach to the national industry.
3. We endorse the Bill's aims to work in the interests of both tenants and landlords by reflecting the changing legal environment, simplifying and levelling social housing tenancies in Wales, and providing a model contract for private sector landlords and tenants, to standardise rights and encourage transparency as far as possible across the industry.
4. We believe that the proposals for changes to social housing tenancy arrangements will strengthen tenant security, increase equity and protect consumer rights. This includes the principle of 'levelling up' with regards to the bringing together of the two current types of social housing tenancies and their inherent properties (including the intention to remove Ground 8) to ensure that social housing tenants will have a right to judicial review when at risk of losing their home.
5. We commend the inclusion of supported housing in the Bill, and support the proposals to strengthen the housing access rights of young people by allowing 16 and 17 year olds to rent. This will be of particular benefit to young people leaving care and for those young people for whom remaining in the parental home is not a safe option.

6. We also welcome the introduction of prohibited conduct terms, which will help to protect the occupancy rights of victims and hold the perpetrator to account by increasing legal remedies available to landlords that help to deliver a victim-centred approach to tackling anti-social behaviour and domestic abuse.
7. We applaud the intention to make positive change in the Private Rented Sector (PRS), a growing and increasingly important market in Wales through: the introduction of standard contracts; the inclusion of repairing obligations in contracts; protection from retaliatory eviction; and changes to shared tenancies that should give greater flexibility to occupants and consumer rights.
8. We especially commend the collaborative approach taken by Welsh Government and the Bill team to involve all stakeholders in the process of developing the content of the Bill. This has included CIH Cymru, tenant representatives, landlord representatives and other experts who have been consulted on and involved in, the process. We are grateful for this further opportunity to influence and participate in the scrutiny of the Bill.

Potential barriers to the implementation of these provisions and unintended consequences

9. We suggest that appropriate resources should be made available to support the necessary public awareness raising campaign to implement the new legislation, for the benefit of all tenants, landlords and other stakeholders.
10. We understand that there has been some concern regarding the proposed removal of the current moratorium on PRS landlords seeking possession during the first six months of a tenancy. This will have an impact on tenant security and an impact on local authorities who wish to discharge their statutory duty for homeless households into the PRS. CIH Cymru believes that in order to manage anxiety regarding this proposal, there needs to be a commitment to developing tenant and landlord relationships as well as a commitment to develop a national tenant voice for those living in the PRS in Wales.

About Us

The Community Housing Cymru Group (CHC Group) is the representative body for housing associations and community mutuals in Wales, which are all not-for profit organisations. Our members provide over 153,000 homes and related housing services across Wales. In 2011/12, our members directly employed 7,500 people and spent over £850m in the Welsh economy.¹ Our members work closely with local government, third sector organisations and the Welsh Government to provide a range of services in communities across Wales.

Our objectives are to:

Be the leading voice of the social housing sector.

- Promote the social housing sector in Wales.
- Promote the relief of financial hardship through the sector's provision of low cost social housing.
- Provide services, education, training, information, advice and support to members.
- Encourage and facilitate the provision, construction, improvement and management of low cost social housing by housing associations in Wales.

In 2010, CHC formed a group structure with Care & Repair Cymru and CREW Regeneration Wales in order to jointly champion not-for-profit housing, care and regeneration.

Introduction

This paper is a response to the Communities, Equality and Local Government Committee request for evidence on the general principles of the Renting Homes (Wales) Bill. It looks at the need for legislation to improve the arrangements for renting a home in Wales and has been structured to cover general points and specific issues raised in the terms of reference.

General Points

Overall we very much welcome the proposals outlined in the rented homes bill and are supportive of the suggested legislative change. Simplifying the legal framework for tenancy agreements and providing additional rights and security for tenants is a positive step. We agree that the proposals create a more flexible approach to joint tenancies and provide additional help the victims of domestic abuse from a housing perspective. CHC also believes

¹ Measuring the Economic Impact of Welsh Housing Associations, November 2012

that the Bill will bring improvements for landlords and occupiers and favours Option 3 as outlined in the Explanatory Memorandum.

Specific Issues

Occupation contracts

The benefits of the occupation contracts are that:

- they replace the many existing tenancy and license types which are complex and confusing
- they allow for identical contracts for council and housing association tenants.
- they are model contracts approved by the Government which will make private renting easier, cheaper and more flexible.

However, in supported housing we feel strongly that:

accommodation categorised as shared or very temporary accommodation should retain the ability to use excluded licences for the duration of an individual's occupancy, due to the difficulties in managing risk to other occupants and staff.

long term supported housing (mainly for people with learning difficulties or living in accommodation designed for older people) should have secure tenancies and not standard contracts (with or without the extra management provisions for supported housing). This is important to prevent people in supported living schemes being moved around at the convenience of social care commissioners.

To avoid confusion the definition of supported accommodation should also be extended to include broadly "where the support has been commissioned by the local authority using Supporting People Programme Grant"

Succession Planning

CHC agrees that a fair and consistent approach to succession rights is important and will assist with homelessness prevention. However, the proposal to allow a carer to receive possession if they have given up their home is of much concern as experience suggests that there could be false claims which will be difficult to prove. If this is the case, then turnover of tenancies will be lower, adding to the pressures on an already limited supply of social

Community Housing Cymru Group Members:
Aelodau Grŵp Cartrefi Cymunedol Cymru:

housing. This also runs contrary to Welsh Government aims and objectives around increasing housing supply and improving services for tenants.

Abandonment

The proposals on abandonment are very helpful, in particular, the proposals for joint tenancies whereby tenants can be removed from a tenancy without a new one having to be granted e.g. in the case of a relationship breakdown. Abandonment frequently leads to the landlord having to seek approval of the court to repossess the property which takes time, is costly and adds to supply pressures.

Six Month Moratorium

We believe that ending the six month moratorium will encourage more private landlords to rent to social housing tenants particularly those seen as high risk. Many landlords let for an initial period of six or twelve months and most want to sign tenants for longer than this. It does not make financial or business sense for private landlords to evict in the first six months – exceptions to this may include circumstances where there is anti-social behavior (ASB) or rent arrears. Therefore it is unlikely that many tenants would be evicted before six months but removing the moratorium gives more flexibility to landlords dealing with ASB. To counter any malpractice we have argued for a licensing scheme in the PRS which will help with rogue landlords.

Prohibitive Conduct (ASB)

RSLs need to be able to take action against individuals who endanger other tenants through their conduct, so the proposals on anti-social behaviour are very much welcomed.

Unintended Consequences

Barriers and financial implications

While CHC welcomes the simplification of the legal framework, we are concerned that:

- These changes are ill-timed and will create more anxiety for tenants who are already grappling with welfare reform changes. It is unlikely that issues around welfare reform will be resolved by 2017 so we would urge Welsh Government to postpone implementation of these proposals until the roll-out of UC is completed.

Community Housing Cymru Group Members:
Aelodau Grŵp Cartrefi Cymunedol Cymru:

- The resource burden on landlords implementing the changes will be significant at a time when capital and revenue budgets are being cut. We also anticipate that the costs for Housing Associations will be far in excess of the estimated £660,356 included in Table 10 of the explanatory memorandum. While we appreciate that the intention is that implementation will happen in “one big bang” and that tenants won’t have to individually sign their new agreement - it simply comes into effect - the introduction of two contracts to existing contracts will require a significant amount of resource from landlords who will need to re-draft tenancy agreements and ensure all tenants are clear about their new rights and responsibilities. Landlords will be using face-to-face meeting to do this as part of best practice.
- While CHC will support the provision of good quality information and provide briefings for the sector this will not be a substitute for legal advice. Therefore we are cautious of Welsh Government’s assertion that legal costs will be significantly less on this basis.
- **Removal of mandatory grounds for possession (Ground 8)**
CHC acknowledges the reasons why it is proposed that Ground 8 is removed and we agree:
 - Ground 8 was only ever intended be used as a last resort. Therefore its use to date has been limited.
 - The mandatory nature of Ground 8 means courts are not able to take into consideration factors that may have contributed to any rent arrears. Non-payment of housing benefit due to an error or lengthy processing times is something Housing Associations will be aware of and would not use Ground 8 in these circumstances.
 - There have developments in human rights and equality law and these should be considered when landlords are considering using Ground 8. Where District Judges are unwilling generally to accept the mandatory nature of Ground 8 this is an issue with the District Judge not the mandatory ground.

There is a body of evidence which illustrates that welfare reforms are leading to rises in arrears despite the 8 week trigger.. Of particular concern are tenants affected by the bedroom tax, who are unwilling to move and are likely to very quickly accrue high levels of

Community Housing Cymru Group Members:
Aelodau Grŵp Cartrefi Cymunedol Cymru:

arrears. Increases in rent arrears and continued increases in court costs pose a real challenge for RSLs with large numbers of tenants on benefits. Excessive court costs combined with serious cases of arrears is a real concern and a business risk. While Ground 8 has only ever been used as a last resort, more RSLs have said that they will look to use Ground 8 and lenders have been clear that if rent arrears continue to rise then they may increase borrowing costs to reflect higher levels of risk. Increased borrowing costs and higher levels of arrears will be unsustainable for some RSLs long-term, which puts all tenants at risk of facing homelessness. The proposal to remove Ground 8 is therefore of much concern to CHC and we strongly propose Ground 8 should be retained as an option for serious cases of arrears.

Ground 8 also serves as an important reminder for tenants about the importance of paying rent.

CHC strongly disagrees that :

- abolishing Ground 8 is the only viable option for establishing a single secure contract. Local Authorities are not subject to the same lending constraints as RSLs therefore it is reasonable to argue for its retention for RSLs.

Conclusions

In summary, CHC welcomes the spirit and intention of the legislation, however, we have strong concerns about some of the proposals which we feel run counter to Welsh Government aims and objectives around increasing housing supply and improving services for tenants.

Community Housing Cymru Group Members:
Aelodau Grŵp Cartrefi Cymunedol Cymru:

Introduction

1. The Welsh Local Government Association (WLGA) represents the 22 local authorities in Wales. The three national park authorities and three fire and rescue authorities are associate members. It seeks to provide representation for local authorities within an emerging policy framework that satisfies the key priorities of our members and delivers a broad range of services that add value to Welsh Local Government and the communities they serve.

General principles of the Renting Homes (Wales) Bill and the need for legislation

2. The WLGA broadly welcomes the Welsh Government's Renting Homes (Wales) Bill, and has welcomed the opportunity to contribute to the development of the proposals which underpin the Bill along with other stakeholders.
3. The social and private rented sectors are playing an increasingly important role in the housing market. Rented homes play a particularly important part in addressing housing in Wales and we are very pleased that Welsh Government has decided to review and simplify the legal framework for rented accommodation, and the WLGA supports the need for legislation in this area.
4. An important aspect of improving the quality of the private rented sector, and making it a tenure of choice in Wales, is the clarification of the rights and responsibilities of landlords and tenants. We feel that the provisions set out in the Bill will largely achieve this.
5. In particular, the WLGA welcomes and supports:-
 - The simplification of the legal framework which will benefit landlords and tenants;
 - The development of model contracts which will bring together and clarify the rights and responsibilities of tenants and landlords;
 - The requirement for written contracts clearly setting out Key Matters, Fundamental Terms, Supplementary Terms and, where agreed, any appropriate Additional Terms;
 - The opportunity the legislation provides to address some of the complexities and unintended consequences of the current legislative framework; and
 - The removal of "Ground 8" giving mandatory possession in cases where tenants of Registered Social Landlords have 2 months rent arrears.
6. We fully support the proposal to introduce a single secure contract for all social housing tenants. This will reduce complexity and the scope for misunderstanding, and will improve equity between tenants of the two social housing sectors. This is consistent with other Welsh Government policies (e.g.

rent policy) to better align the two sectors. In basing the secure contract on the current local authority secure tenancy, this ensures that the rights of social housing tenants are "levelled up" and not down, and the rights of existing local authority tenants are protected.

7. It is entirely appropriate that this equalising of the arrangements between landlords and tenants in the two social housing sectors, including the standardising of possession and eviction arrangements in cases of serious rent arrears
8. The WLGA welcomes the establishment, for the first time, of a legal framework for supported housing, and takes the view that the provisions within the Bill in this area strike an appropriate balance between ensuring sufficient flexibility, given the particular challenges of the many models of, and settings for, supported housing and the need to ensure adequate security of tenure for some of the most vulnerable tenants. The arrangements in relation to temporary exclusions from supported accommodation and mobility are also welcomed.
9. However, the WLGA has significant concerns that the provisions in **Part 9 Chapter 5** effectively remove the current moratorium on private sector landlords seeking possession using the "no-fault" grounds during the first 6 months of a tenancy, and this will diminish opportunities for local authorities to use the power to discharge their duties to homeless households by securing accommodation for them in the private rented sector, given the requirement in the Housing (Wales) Act 2014 for the local authority to be satisfied that "the accommodation is likely to be available for occupation by the applicant for a period of at least 6 months."
10. Removal of the moratorium effectively reduces the rights of tenants in the private rented sector in Wales and undermines efforts to improve the quality of the private rented sector, and to promote it as a tenure of choice.
11. The main reason for households becoming homeless is loss of accommodation from the private rented sector. This approach will do nothing to reduce or prevent homelessness, and will have resource implications for local authorities and partner agencies as the time taken to achieve positive outcomes for households will be longer, and some households will be required to spend more time in temporary accommodation.
12. We welcome the provisions to simplify and reduce the time taken to deal with the abandonment of a property by the tenant. However, given that there are many legitimate reasons for a tenant to be absent for a period of time – e.g. admission to hospital or visiting/caring for relatives, etc. – it is appropriate to place a clear duty on the landlord to make such enquiries as are necessary to be satisfied that the contract-holder has, in reality, abandoned the property and is not absent for some legitimate reason.

13. The WLGA supports the provisions which will enable 16 and 17 year olds to become contract-holders. There are many instances where it is necessary for a young person to live independently, and we welcome a legal framework which removes any barrier to a young person establishing a home in the rented sector.

Potential barriers to the implementation of these provisions and whether the Bill takes account of them;

14. We have not identified any barriers to implementation which have not been taken into account within the Bill.

Any unintended consequences arising from the Bill?

15. As described above, it is the view of the WLGA that the removal of the 6 month moratorium effectively reduces the rights of tenants in the private rented sector in Wales and undermines efforts made through the Housing (Wales) Act 2014, and elsewhere within the Renting Homes Bill, to improve the quality of the private rented sector, and to promote it as a tenure of choice. This runs counter to the approach adopted within the Bill to "levelling up" the rights of tenants in the social rented sector.
16. Removing the moratorium does not support efforts to reduce and prevent homelessness, and is likely to hamper the efforts of local authorities and their partners to do so in seeking to fulfil their duties and responsibilities in relation to Part 2 of the Housing (Wales) Act 2014.
17. The Housing (Wales) Act 2014 requires local authorities to be satisfied, when using private sector accommodation to discharge their duties to a household that is either homeless or is threatened with homelessness, that "the accommodation is likely to be available for occupation by the applicant for a period of at least 6 months."
18. By reducing the supply of private rented sector accommodation where the local authority can be satisfied that this is likely to be the case, efforts to prevent homelessness from occurring, or ending a household's homelessness, are likely to take longer, and be more difficult, than would otherwise be the case. Such a scenario will inevitably have resource implications for local authorities resulting from greater staff input to achieve successful outcomes, and households spending longer periods in temporary accommodation.
19. The main reason for homelessness is loss of accommodation from the private rented sector. By reducing tenants' security in this tenure, we expect that removal of the moratorium could lead to an increase in homelessness.
20. Ending the moratorium runs the risk of sending a clear message that private sector tenants have less security in Wales than is the case in England. This

could have the unintended consequence of attracting investment from less desirable private landlords into Wales.

21. Similarly, the clear message to tenants, and prospective tenants, given by removing the moratorium is that there is reduced security in the private rented sector. This is likely to lead to a lack of confidence that other rights will be adequately enforced within the private rented sector, and will work against legislative and non-legislative efforts to make this a popular tenure of choice in the future.

Financial implications of the Bill

22. In addition to the costs for Community Landlords set out in the Regulatory Impact Assessment, there will also be further costs for all local authorities (whether landlords or not) in meeting the training requirements for staff involved with housing advice, housing options and housing enforcement, in order to ensure that the changes to the legal framework are fully understood and that anyone approaching a local authority for advice or support in relation to their housing circumstances receives the most appropriate help or advice. Additional costs associated with longer periods in temporary accommodation, as described above, for homeless households are also not identified within the Regulatory Impact Assessment.

Communities, Equality and Local Government Committee
CELG(4)-12-15 Papur 4 / Paper 4

Introduction

Cymorth Cymru is the umbrella body for organisations working with marginalised and excluded people in Wales.

Our **vision** is that all people in Wales have the right to live safely and independently, managing their own lives in their own homes

Our **mission** is to connect, strengthen and influence service providers, policy makers and partners to:

- Prevent homelessness
- Improve the quality of life and choices for the people our members support.

Our **objectives** are to:

1. Use evidence-based research to effectively influence policy formulation and implementation
2. Strengthen the capacity of member organizations to increase their impact by connecting them with wider issues and debates within the UK, Europe and elsewhere, convening events that contextualise and share learning
3. Provide high quality and tailored membership and consultancy services, identifying risks for the membership
4. Challenge public attitudes by campaigning with others on key issues that affect the people our members support.

Our main **policy areas** are

- Homelessness, housing related support
- Social value care provision
- Emerging themes from our two core areas
- Joining up across related policy areas

Our **120+ members** support people who are marginalised, isolated or experiencing housing crisis, including:

- people who are homeless, or at risk of homelessness
- families fleeing domestic abuse
- people dealing with mental or physical health problems, or learning disabilities
- people with alcohol or substance misuse problems
- refugees and people seeking asylum
- care leavers and other vulnerable young people, and
- older people in need of support
- offenders and those at risk of offending.

This list is not exhaustive, and individuals may often face a range of challenges that make it difficult for them to find or maintain a stable home and take control of their lives.

Cymorth Cymru's members help people address these issues, supporting them to find and maintain safe accommodation, fulfil their personal potential and feel confident making choices about their future. Our members work across policy areas to assist marginalised and excluded people and to promote a shared understanding of the key role that housing plays in promoting well-being.

Consultation response

Cymorth Cymru warmly welcomes the Renting Homes Bill. The steps toward providing clarity for all tenants across Wales are a positive move. All too often the complexity of tenancy law leads to legal interventions to rectify situations. The complexity of law can also be disempowering for all people in Wales – particularly those with more chaotic lives, who might find it harder to navigate the systems and processes. Having a Bill that introduces a simpler approach and clarity is a very positive step.

We do have some concerns more broadly about the security of tenancies for those in the private rented sector (PRS), and we know that these have been picked up by Shelter Cymru as well as by Cymorth. This is of particular concern for us as, in light of the recent Housing (Wales) Act, local authorities will be able to discharge their homelessness duty through using the PRS. On the one hand this Bill will, in simplifying the system, benefit the people we represent by helping them and their landlords understand their rights and responsibilities. However, we strongly question whether ending the 6-month moratorium, for instance, will encourage more landlords to accommodate people with chaotic lives. In our view it risks increasing instability for those who need a more secure environment to flourish.

We have limited our response to key areas, particularly those that intersect with the interests of the individuals our members work with – such as domestic violence and antisocial behaviour. We have also focused particularly on the area of supported housing, as this is where the majority of our members have expressed views and comments.

There are areas throughout where we hope that the guidance that is issued later in the process will clarify several questions of concern. We have, where possible, noted these clearly.

This Bill provides an opportunity for Wales to take a lead in the UK, ending a complex, inefficient system whilst retaining the flexibility so that organisations can continue to provide services that encourage individuals with the most chaotic lives to retain their independence. For that reason, Cymorth Cymru has had to be alert to potential unintended consequences posed by this Bill. We commend the work done by the stakeholder groups and welcome the opportunity to contribute further to the Bill by working with the Committee at this stage.

We look forward to giving evidence to the Committee on the 6th May.

Welcomed areas

In particular, we are in clear agreement with the Bill, with respect to:

- The new secure tenancy based on the current secure tenancy used by local authorities, etc;
- The new standard contract based on the current assured shorthold tenancy;
- The benchmark tenancy to be used by all landlords, as this will provide clear consistency;

- We re-iterate our point in the consultation on the White Paper that there should be an easy read version of these tenancies – and that we are ready and willing to assist with this if needed;
- We absolutely support the introduction of the Prohibited Conduct term in all contracts, with a few specific additional comments to be explored further in the response;
- We absolutely support the proposals made relating to joint tenancies, again with a few specific comments to be explored further below;
- We agree with the proposals to allow 16 and 17 year olds to rent in the same way as everyone else, but would suggest additional safeguards either in the Bill itself, or in guidance afterwards;
- We establish in greater detail our response to supported housing below.

Antisocial behaviour and domestic violence

We can see how the Bill could be used to ensure swift responses to antisocial behaviour and to ensure that those experiencing domestic violence are protected (and we see that this is to be developed further in guidance). We also acknowledge that the signal sent out through the Gender-based Violence, Domestic Abuse and Sexual Violence (Wales) Bill will have a positive impact on individuals who witness or experience domestic violence.

However, we suggest that the Bill should take the opportunity to make this more explicit. Whilst of course it can be assumed that domestic abuse is part of Prohibited Conduct, and that the protections in the joint tenancy section ensure that people at risk of domestic abuse are now more protected than before, we consider that landlords in particular would benefit from this being an explicit part of the Bill.

We recommend that an explicit reference to domestic abuse be added to both prohibited conduct sections (Part 3, Chapter 7 and Part 5, Chapter 5). Whilst we understand that domestic abuse could be categorised under “nuisance” and “annoyance”, there should be an additional point for “abuse”, to increase clarity for landlords and tenants in this area.

Additionally, we would like to see it made clearer in the Joint Tenancy section (Part 3, Chapter 5) that there are protections in place for those at risk of domestic abuse. If this is not appropriate, it should be made clearer in the guidance to be published later.

With regards to antisocial behaviour, we believe that the particular needs and demands of individuals with chaotic lives require specific mention in the guidance when published – as well as much wider awareness training for landlords. For example, tenants with mental health problems might present behaviour that is antisocial, but they might be exhibiting a need for support rather than anti-social behaviour. We hope that a system can be put into place with training and awareness that encourages landlords to seek other options where an additional need is involved. We would be ready and willing to look at developing this further as an organisation.

Points to be explored specifically in any guidance published after

There are points noted earlier which we would like to see developed further in guidance, as we understand they are not appropriate for the legislation itself. These include:

- Guidance on Prohibited Conduct and approaches to resolving anti-social behaviour without possession. We would advocate as noted above for clear best-practice steps in the guidance as to how landlords can work best to bring in additional support by contacting relevant services. This will be even more relevant given the ability of local authorities to discharge their homelessness duty into the PRS.
- Specific guidance on 16 / 17 year olds renting is needed, so that they are made aware of the risks of joint tenancies. We would be very concerned that without adequate awareness-raising for this group, there could be an increase in homelessness due to unpaid rent, for example. Clear guidance, an easy-to-access guide to contracts, and other steps, should help to reduce this, as well as simple explanations of what is expected of tenants.
- Specific guidance on joint tenancies, particularly with regards to an individual being liable to the entire rent if another leaves, will be needed. In addition (as noted above) we believe the guidance should draw specific reference to domestic abuse and processes / best practice in this area.

Supported housing / accommodation

We welcome provision of a legal basis under which supported housing can operate in terms of tenancies. As with our response to the White Paper, we recognise that both the Law Commission and the Welsh Government have worked hard to ensure that the complex nature of supported housing is reflected in the Bill. We particularly recognise the increase from the 4-month limit to 6 months, with a potential for increasing the duration through request to the local authority. This will make a considerable difference to the provision of support in Wales (we have provided evidence for this, in terms of case studies, in Appendix 1).

There are some specific points we would want to mention with regards to this section.

Excluded licences and temporary exclusions

Our conversations as part of the stakeholder group with this Bill have made it clear that we would want to see the very short term, shared accommodation, being able to use an excluded licence for the duration of a person's stay. Our concern here was that if this type of accommodation were to use a tenancy it is likely they may be forced to turn away individuals with a more chaotic lifestyle for fear that they could not protect residents due to being unable to quickly remove a person who could be endangering others.

Whilst we would still maintain our preference for the licence approach, we do acknowledge that the proposals (Part 8) as they are have heard the concerns of providers in this matter, and go some way towards addressing the issue.

This is an area where we had to ask our members, and ourselves, some very difficult questions. Cymorth Cymru is not often in a position where we are advocating any reduction in the rights of individuals. In this particular instance, however, we have had to take a very clear view. Given the nature of this form of accommodation, and the often chaotic lives led by individuals who reside there, the ability to temporarily exclude residents is vital for the continued safety and progress of other residents.

In order to consider our position here, we should consider the individuals who use these services. Often they might only just be starting their journey towards independence. They may be recovering from alcohol or drug addictions (or still battling them); they may be rebuilding after a mental health condition or taking the first steps back into society after being in prison. They may all be vulnerable in some way, and sometimes a shock or stress could send them spiralling back into a worse situation. For that reason it is absolutely essential for the health, well-being and eventual independence of other residents that if one resident is putting others at risk, they can be removed at least temporarily.

Please note: we can provide examples of where this could be an issue from our members, on request.

Definition of supported accommodation

We would suggest a small addition to the definition of supported accommodation. At times, the local authority might 'commission in' support services for an individual, and we would not want that element of support to be left out. Therefore, in Part 8, 143, 2(c), we would suggest that the text change to read: "the landlord or charity (or a person acting on behalf of the landlord or charity, or where the support has been commissioned by the local authority using Supporting People Programme Grant)".

Definition of "support services"

Finally, we would query the definition of support services, found in Part 8, 143, 4(c), which suggests that support services include "supporting someone who finds it difficult to live independently because of age, illness, disability or any other reason." We find this particularly problematic, as many in this group should be encouraged to live independently regardless of their support, in secure contracts. Examples of this include individuals with learning disabilities, who may require support, but who should not be given the same sort of contract held by those in short-term, shared accommodation. Either this definition should be amended, or a separate point inserted elsewhere into the Bill, which makes it clear that those in longer-term supported housing should have secure tenancies and not standard contracts (with or without the extra management provisions for supported housing).

Conclusion

Cymorth Cymru welcomes this Bill and believes it represents a significant opportunity to simplify and clarify an area that has until now been overly complex and difficult to grasp, as long as the particular needs and requirements of support providers are met so that they are able to continue supporting the most marginalised and excluded individuals in Wales. We also await the eventual Guidance around the Bill eagerly, and we hope it will address more of the details around how specific areas of the Bill would work in practice.

This is a singular opportunity to get this right for Wales, and we have been grateful for the opportunity to respond, and to be involved.

Appendix 1

These case studies serve to provide evidence as to why it is important that there is an option to extend the duration of a standard supported contract. We are pleased that this point has been recognised.

Case Study: Service User A

7 month stay in 'very short term supported accommodation'

Service User A had a disability which limited the housing options available to her. Her disability included sight problems with an assistance dog.

Service User A felt safe in refuge and understood her entire surroundings. She was supported through every element of the building initially, shown where each door/ item/ service was and how to navigate around the facility. It took her a few support sessions to take this in and had regular support from the other residents as the communal setting of a refuge lends itself to this type of support.

She was offered temporary accommodation but this was not suited to her disability and was intended as a short term measure before suitable accommodation was found.

The provider agreed with the local authority that her need was such that to make her live in a temporary accommodation unit for an undefined time, only to move to a more suitable long term property would be unsuitable and would unfairly impact upon her due to her support needs. They felt that it was a matter of upholding good practice on equality and diversity issues that she was not forced to move more times than was necessary as she would be more disadvantaged than most by this.

Service User A stayed with the provider until a suitable property was found and, having had acute awareness of her needs, they were able to support her into her new home and local services very effectively. Had she had left their service and gone into temporary accommodation, there would not have been the same level of support provided to ensure she understood her surroundings when moving into more permanent accommodation.

The service user exited the service feeling confident and well supported.

Case Study: Service User B

6 month stay in 'very short term supported accommodation'

Service User B is a young mother with young child, with a history of domestic abuse. Initially she presented as lower needs than most and was moved from a 24hr staffed unit to a self-contained unit.

Service User B began being evasive with her support worker which culminated in the provider discovering she had abandoned her child one day in the unit. They immediately informed Children's Services who accommodated the child. Service User B presented as non-concerned that this was an issue, resulting in Children's Services reluctance to return the child.

Service User B had resumed relationship with the perpetrator temporarily and had left the accommodation. After offers of support and agreement of Children's Services it was agreed that Service User B could return to the 24hr staffed unit. After continued engagement with the provider and Social Services, the child was allowed back into her care, on the understanding that she would remain within the 24hr unit and be monitored by them.

This continued for several months. Because of the seriousness of the child protection issue, the child would have not been able to remain in her care without the provider's 24hr staffed unit.

Working with Service User B, the risks to the child reduced and the provider was able to satisfy Children's Services that she was no longer a risk to her child. She was then able to access accommodation, which they had delayed due to the circumstances. She was re-housed approximately 6 months from entry into the service, and was able to keep her child.

Case study: Service User C

Service User C came to the UK in 2002 on spousal Visa. She was living at the family home with her mother-in-law, father-in-law, her husband, his brother and his wife.

During the first year of her coming to the UK the relationship between her and husband was fine, but after two years their relationship started to deteriorate due to the husband's family not accepting her. Service User C's Visa was never renewed and she was therefore living in the country illegally for 10 years, unknowingly. She also had no English language skills.

Service User C was subjected to physical, verbal, financial and emotional abuse. She was forced to live in the house as a maid and was made to do all the house chores for everyone including her brother in law and their children. Her movements were restricted; she was not allowed to go out of the house unaccompanied and was not left alone for any appointments or meetings so she had no opportunity to express her situation or anxieties to any professionals.

Service User C was not registered with a GP or Dental Surgery. On one occasion when she required dental treatment she pulled the tooth out herself to get rid of the pain. Contact with her immediate family in the UK and at home was minimal and controlled. She was not allowed to make contact with her family, when they contacted her she was not left alone at any time during the conversation. She lived in these conditions for 12 years.

Her husband's family made her life unbearable for her to live and they started to put pressure on her constantly to leave the house, knowing very well she had nowhere to go. The pressure became so much that she took courage to call her uncle in Birmingham to ask him for help when the family were out one day. She had no awareness of how to access help or how to get out of her situation.

Service User C's uncle made contact with the support provider to ask for help as he was unable to accommodate or support her.

They assessed the situation and offered her support by admitting her into the refuge. She was supported initially with food and essentials as she had no recourse to public funds. It was established that she would qualify for the DDV Concession Grant through the Home Office and was assisted to apply. She was successful in receiving this grant on the 31st July, 2012 which enabled her to access public funds for 3 months.

During this time she was assisted to access an immigration solicitor who helped to apply for Indefinite Leave to Remain (ILR). The decision granting Service User C ILR was received from the UKBA after three more months.

It took approximately 2 months for her to be able to access other services fully after she was granted ILR in the UK. Service User C had to remain in the refuge for further 3 months whilst her benefits and housing were being processed. During her time in the refuge she accessed ESOL and numeracy classes and also engaged in other community activities.

Service User C re-built her confidence and self-esteem and was enabled to live independently out in the community. However, she was unable to access social housing and found it difficult to find accommodation in the private sector due to her limited income for deposit and bond.

Who we are

Tai Pawb (housing for all) is a registered charity and a company limited by guarantee. The organisation's mission is, "To promote equality and social justice in housing in Wales". It operates a membership system which is open to local authorities, registered social landlords, third (voluntary) sector organisations, other housing interests and individuals.

What we do

Tai Pawb works closely with the Welsh Assembly Government and other key partners on national housing strategies and key working groups, to ensure that equality is an inherent consideration in national strategic development and implementation. The organisation also provides practical advice and assistance to its members on a range of equality and diversity issues in housing and related services.

Tai Pawb's vision is to be:

The primary driver in the promotion of equality and diversity in housing, leading to the reduction of prejudice and disadvantage, as well as changing lives for the better.

A valued partner who supports housing providers and services to recognise, respect and respond appropriately to the diversity of housing needs and characteristics of people living in Wales, including those who are vulnerable and marginalised.

Introduction

Tai Pawb welcomes the opportunity to respond to this consultation and the invitation to provide oral evidence to the Local Government and Equality Committee's enquiry.

Due to natural development and diversification of the sector and wider societal changes the issue of tenancy and tenancy law has become a very complex area. Therefore, like many of our colleagues across the housing and third sectors, we welcome the creation of a new rental system for rented homes in Wales. We hope that this new approach will ensure that it is easier for both tenants and landlords to understand and execute their rights and responsibilities in relation to

renting their homes. This is particularly important as the current, overly complex system, could be significantly disadvantaging people from a variety of backgrounds. For example, people from non-White British backgrounds who compared to White British people are more likely to use the PRS¹. These groups can face considerable language and cultural barriers in accessing accommodation, while people from other protected groups such as disability, age, sexual orientation, gender reassignment, and religion or belief can face other types of barriers when accessing accommodation. We hope that by simplifying the rental system the current unintentional discrimination could be removed for these groups as well as others.

Occupation Contracts and Landlords

The adoption of two forms of contracts and the subsequent ability to provide model contracts will make it clearer for tenants and landlords. However we have some concerns that the Supported Secure Contract is not seen as a third form of occupational contract. Those people who are likely to be provided with this type of contract are often some of the most marginalised within our society. Part of the rehabilitation process for this group of people is to move them on from this level of intensive supported accommodation into a position where they are able to maintain their own tenancy (potentially with less support). The suggested approach in relation to occupation contract classification, albeit unintentionally, further underlines the distinction between this group of people and anybody else and could further marginalise them.

ASB and Prohibited Conduct

While we welcome the work which has been undertaken to ensure a wide variety of undesirable behaviours fall within the remit of the definition used currently in the Bill we still have a number of concerns. As we mentioned in our official response to 'Renting Homes – A better way for Wales' the term we feel it is key that abuse such as economic, psychological, emotional and other coercive behaviours are also covered by the terms 'ASB and Prohibited Conduct'.

The proposed wording: "conduct capable of causing nuisance or annoyance²" is very vague. There is potential that the test applied to decide if conduct falls within this category could be open to abuse and unintentional bias for example in relation to domestic abuse where somebody subjecting a victim to psychological abuse the notion of 'nuisance or annoyance' seems to fall far short of the reality. In complete contradiction to this the notion of 'nuisance or annoyance' could mean that repeat low-level annoyances such as parking space issues could result in being defined as ASB.

The wording for the definition for ASB and prohibited conduct is of particular importance when we consider that tenants of a community landlord (RSL) could have their tenancy demoted to periodic standard contract as a result of breach of tenancy, in other cases they may be evicted. While we recognise the importance of, and support the ability for, landlords to use this tool we are concerned about the potential for bias and unfair treatment for some people from certain groups. In order

¹ Census 2011, DC4201EW - Tenure by ethnic group by age - Household Reference Persons, Wales stats only

² Renting Homes Bill, Section 3 Chapter 7

to protect people we would recommend that an amendment is made to reflect 'harm caused to another person' because of said nuisance or annoyance. This approach would remove any potential for powers to be used irresponsibly by landlords for relatively minor nuisances or annoyances. We would also recommend that you look to reflect the wording for domestic abuse in other legislation to ensure that the letter of the law reflects the spirit it intends (and which we fully support). We would also encourage you to consider issues concerning burden of proof – strong statutory guidance is needed in this area.

Deposits

We welcome the direction of travel with relation to deposits for joint contract holders. However colleagues in the PRS have raised concerns relating to the ability for the existing infrastructure to handle these potential changes. We would highly recommend that this is investigated further to ensure that the current deposits schemes will not fall foul of the new legislation due to the technical restrictions of the systems they are using. We feel this should be addressed through consultation to ensure the implementation timeframe takes account of any changes which might be needed.

In relation to the deposits paid where there are joint tenancy holders consideration should be given to instances where a joint contractor removes their proportion of the deposit upon ending their contract, in particular instances where there is proven domestic abuse. There needs to be clearer legislation regarding the position of the tenant and security of tenure relating to this.

Variation to rent – periodic standard contract

While we welcome that the face the Bill has restricted rent increases to one per annum we have significant concerns that the Bill, as it stands, appears to erode the current rights of tenants in Wales in other areas in connection to rent. It is our understanding that the new Bill proposes that rent increases for periodic standard contractor-holders can be issued from two months after the contract was signed. It also appears that this, initial rent increase, could be for any amount and the only option the tenant has is to accept this or to give notice and leave their home. This significantly worsens the current rights of tenants in two ways:

1. Currently tenants cannot have their rents increased within the first year of their tenancy
2. Tenants have the right to apply to the Rent Assessment Committee which has the effect of delaying any rent increase until the matter has been decided.

As we have indicated previously the PRS has a significant number of people who are from non-White British backgrounds within it, the Bill also provides for younger people to be contract holders, and the Housing (Wales) Act 2014 has enabled the PRS to be used more often for more vulnerable people. We are particularly concerned that unscrupulous landlords may entice vulnerable people into contracts with low rents only to raise rents significantly after the first two months. Tai Pawb is concerned with the potential for vulnerable tenants to be extorted under the new provision. Under the conditions of the Bill, as it now stands, landlords could attempt to recoup money spent on repairs or choose increase rents once a property has been adapted (with no financial contribution from the landlord) for a disabled person

knowing they are unlikely to be able to secure other suitable accommodation. The current Bill would not prevent this and with no recourse to the Rent Assessment Committee there appears to be no protection for tenants from such unscrupulous behaviour.

Supported Standard Contracts

Please also see the section above on 'Occupation Contracts and Landlords'.

We are, broadly, in support of the inclusion of the Supported Standard Contract. We recognise, in many respects, this serves to codify existing practices within the sector to which this applies. However, we have two main areas of concern in relation to the Supported Standard Contract.

1. We recognise and understand the importance for some types of provision to be able to issue temporary exclusion notices. While we support this ability, in principle, we would like to see the Bill strengthened to protect those people who may be excluded. As we interpret the Housing (Wales) Act 2014 section 55 these people would be classified as homeless. Given the nature and vulnerability of these people we would like to see the Bill amended to place a duty of care on the support providers to help assist these people find alternative accommodation for the period of exclusion.
2. Reading the definitions within the Bill for Supported Accommodation which states support can be "supporting someone who finds it difficult to live independently because of age, illness, disability or any other reason." We have concerns that supported living could potentially fall within this. Supported living currently, tends, to refer to a small group of people living together in a property each with their own tenancy but there is support provided. Our concern is this group of people they could have their current tenancy rights eroded. We strongly feel in these instances these people should have their tenancies converted to a secure or standard contract in line with provision the standard provision. We are also concerned that new people who would benefit from this type of accommodation are not automatically given a Supported Standard Contract where they should be provided a secure or standard contract when they enter.

Abandonment

We feel the proposed approach to abandonment could place vulnerable tenants at significant risk. Within the proposal the landlord is required to make enquiries to ensure the property has been abandoned and also to issue a notice to the tenant. If the landlord is satisfied, after 4 weeks, the property has been abandoned they can take actions needed to secure and dispose of the property as they wish. The implications of this proposal is that tenants are expected to inform their landlord of any extended periods of absence from the property for some people, such as those who may be admitted to hospital, this is not practical or reasonable. Even with the ability for the court to overturn a decision and instruct a landlord to provide suitable alternative accommodation for many people, either due to their needs for accessible / adapted housing or due to the limited housing a landlord may have, there is a significant risk that alternative suitable accommodation will not be available.

In specific regard to the notice issued by the landlord, there is no obligation in the legislation for this to be in a format requested by the tenant or to be issued to a support worker. It would also be beneficial for the contract issued to specifically state the need to inform the landlord of any expected absences (over a certain length) and an obligation for the landlord to provide indication of receiving this to avoid the potential for unscrupulous behaviour on both parts. If such provisions were included within statutory guidance then this would help. Overall clearer guidance on the burden of proof might also be useful for the appeals procedure; however our fundamental concern is that the 4 week period may not be long enough and the judicial oversight through the appeals process may come too late.

Variation of Contract – Periodic Standard Contract

The Bill proposes at section 126 that a landlord may vary a contract on agreement with the contract-holder. If contract-holders does not agree to this variation they must provide notice of termination to their landlord, if they fail to do so within the notice period applicable to contract variation (2 months) the landlord may seek possession.

We feel the process proposed within in the Bill is an improvement on the current situation where variations of contract are only possible through issuing an eviction notice then a new tenancy. The new process allows for the potential negotiation of terms between the tenant and landlord. However we recognise that some people would not be able to enter into such negotiations without support and this may put additional pressure on services such as Shelter Cymru and the Citizen's Advice Bureau. We also recognise that some unscrupulous landlords might use intimidation to ensure tenants agree variation of terms by threatening eviction if they do not, or may choose to frequently vary terms amounting to harassment of the tenant (as landlords may vary terms other than rent as frequently as they choose to)..

Improving Home Safety

We welcome the inclusion of a landlord's obligation to repair within the contracts, along with protection from retaliatory eviction. However we have a number of concerns with regard to the current proposals within the Bill:

1. Equality Considerations – currently if a landlord cannot gain access to a property in certain circumstances it is possible for a landlord to issue eviction notices. We are concerned that there is no protection for vulnerable tenants or those from diverse backgrounds. As the Bill stands currently there is no obligation for the landlord to ensure that the attempts to enter the property are reasonable and take account of the needs of the tenant, for example to have a carer, support worker, or chaperone present. While this could be addressed either in the Bill or in statutory guidance we feel this must be addressed before implication.
2. With the current variation to contract provisions (as discussed earlier) there is no protection to ensure that rent rises are not to cover the cost of repairs nor they are so high as to be, in effect, simply retaliatory eviction by another mean.

Security of Tenure – Periodic Standard Contract

It is currently posited that the standard default position for the PRS in Wales will be the issuing of a Periodic Standard Contract. This contract option has also removed the six-month moratorium. We feel it is likely that the most vulnerable tenants will be issued this contract as default with only those perceived to be 'less risky' tenants offered the more secure fixed term standard contract. Our concern is as more vulnerable tenants, including younger tenants, those from diverse cultural and national backgrounds, and disabled people, need to use the PRS due to low availability within the social rented sector this could create a two tier PRS. We are concerned that the periodic standard contract is seen as a, potential, way of encouraging private landlords to rent to people they might not previously have considered. In effect this could be seen to suggest to landlords that 'if it doesn't work out' it is easy to remove these people from the property in a relatively short timeframe. We feel strongly this sends the wrong message to the PRS and places vulnerable people from diverse backgrounds in particular jeopardy of a revolving door of short term tenancies resulting in them being unable to put down roots, and having significant impact on community cohesion.

This approach seems to be a contradiction to the spirit of the rest of the legislation which is strongly based on a consumer approach. The current proposals in relation to Periodic Standard Contracts means that tenants can be kept on these indefinitely meaning they are never more than two months notice away from homelessness (including within the first 6 months of their tenancy) this makes it very easy for a landlord to, in effect, use a 'no-fault' eviction route instead of a fully transparent discretionary ground which could have judicial oversight.

Security of Tenure – removal of 'Ground 8'

As noted in our consultation response 'Renting Homes – A better way for Wales' this power is not widely used currently, despite the increase in rent arrears due to changes in welfare benefits.

The removal of 'ground 8' in relation to the Secure Contract and community landlords (RSLs) is welcomed by Tai Pawb as it levels the playing field between Local Authority Housing and Registered Social Landlords where inequity has existed in relation to rent arrears. We feel that the approach outlined in the Bill strikes the correct balance as we recognise that there may be times where eviction is the only course of action, in the face of serious rent arrears, and this can still be achieved through the discretionary powers of judicial oversight. We strongly support the notion that decisions to remove somebody's home should never be taken lightly or arbitrarily. Therefore the use of judicial oversight to take into consideration the individual circumstances we feel is the correct approach. We feel this protects vulnerable people who may accrue significant rent arrears through no fault of their own. In particular removal of ground 8 could be seen as proactively meeting the general duty within the Equality Act 2010 for example; in relation to those with significant mental health problems, those with language difficulties, disabled people who may not have accessible ways to pay their rent, younger people who may be entering their first tenancy, older people, and trans* people who may not have been corresponded with in the correct name.

Equality Considerations

We are significantly concerned that throughout the Bill there is no mention of the Equality Act 2010 or the requirements therein. We are particularly concerned there is no reference to this neither in relation to Anti-Social Behaviour and Prohibited Conduct nor within the notion of 'reasonable refusals' by the landlord. Specifically we are concerned that there is no mention of the protection afforded to Lesbian, Bi-sexual and Gay people when requesting joint tenancies.

Dispute Resolution

Like many of our colleagues, within the housing and third sector, Tai Pawb feels that recourse to the county court is not the most beneficial way to enter into dispute resolution. The costs are high and often the detailed knowledge of housing within the system is lacking. We feel that alternative dispute resolution provision should be explored to include mediation and the use of a specialised tribunal. In our opinion this could potentially save money, free up court time, ensure that judgements are fair and backed by expert knowledge, and could make access to housing justice open to many more people.

Appropriate powers in the Bill for Welsh Ministers to make subordinate legislation

It appears that there are appropriate powers for Welsh Ministers to make subordinate legislation. However we would like to, respectfully, remind the committee the importance of ensuring that all subordinate legislation is fully equality impact assessed and within this process there has been due consideration and active engagement with the people of Wales.

1. REMOVAL OF RENT PROTECTION: S.13/22 HOUSING ACT 1988

The Act proposes Occupation Contracts which in the Community Sector will generally be Secure Contracts and in the Private Sector will be Standard Contracts. Whilst the Act provides for a mechanism prescribed by Welsh Ministers to protect existing Assured and Assured Shorthold Tenants there is no such protection for Occupiers under new contracts.

Existing Local Authority Tenants were excluded from protection in any event under Schedule 1 of the HA 1988. This Act will put all Housing Association Occupiers on the same footing. This will encompass some 16% of the Housing stock (2013).

It has been argued that the Rents in the Community Sector are in any event subsidised and therefore artificially below Market Rents under the HA 1988 in any event.

Is that a good reason for removing the protection of the Act in both the Community and Private Rented Sector? The Right to apply to RPT is in itself a brake on Rent increases. If one of the intentions of the Act is to provide secure accommodation for tenants in both the Community and Private Rented Sectors to remove the protection of Section 13 means that tenants may be forced by

large increases in Rent demanded to move on after relatively short periods because they cannot afford proposed rent increases. The instability which this creates in people's lives could be partially checked by retaining the ability of tenants to apply to a RPT to assess a Market Rent in the Private Sector. This change would potentially affect 14% of all property in Wales (2013) in this Sector over time.

Applications under Section 22 are very rare (in the first 6 months of an Assured Shorthold Tenancy). In 2013/14 there were 12 under Section 13. In 2014/15 there were 17.

Often however, as will be seen from the number of cases dismissed or withdrawn (5 in 2013/14 and 8 in 2014/15) cases are brought based on a misconception as to the Tribunal's powers particularly in the Community (Housing Association) Sector. Tenants do not understand that Housing Association rents are less than Market Rents and that we can only set a Market Rent. Removing the right to Appeal in that sector may not therefore make a material difference

However where a Tenant can often be protected is where they are Assured and Assured Shorthold Tenants in the Private Sector and it is assumed this protection would continue under the mechanism prescribed for existing Tenants. There will however be no protection for either Secure or Standard

contract holders in the future. I question whether this a judicious move in the current climate where there is huge pressure on housing and restrictions on borrowing.

2. VARIATION OF RENT: SECTION 104 AND SECTION 123

The procedure outlined in the Act does not prescribe a minimum period before a notice varying the rent can be served on the first occasion. S104(3) says the Notice may prescribe “any date”. One can envisage a situation where an unscrupulous landlord sets a low rent to get the Tenants “hooked” and then when the Tenant has gone to all the expense of moving in, serves a Notice increasing the rent. At that point there is no protection and the Tenants only recourse may be to move out. I would suggest the minimum should be six months at least.

3. VARIATION OF “OTHER CONSIDERATION”

“Other consideration” presumably encompasses what one would now refer to as a “variable service charge”. Again the first Notice can be served specifying any date with no minimum period required.

More widely Tenants currently paying a variable service charge have the protection of the Landlord and Tenant Act 1985. Presumably it is not intended that the effect of this legislation is to remove that protection.

4. RENT ACT SUCCESSION/S186 AND Sch 10 LOCAL GOVERNMENT AND HOUSING ACT 1988

On a second succession under the Rent Act 1977 and under the LGHA on the expiry of a long lease the current law prescribes that the Tenant becomes an Assured Tenant under a Market Rent. The RPT has the power to determine that Rent and under Sch 10 the Terms and conditions of the Tenancy. Neither a Rent Act Tenancy or a long tenancy will become an occupation contract. Some provision needs to be made to cover these albeit rare situations.

5. RIGHTS OF APPEAL

The Act gives “Tenants” generally a wide range of rights to make an application to a Court to enforce their rights. It is questionable whether in certain circumstances it would be more appropriate that the Tribunal were given jurisdiction. Some examples might include:-

- Review of a Notice by a Community Landlord that a contract is **NOT** a secure contract.
- Failure to supply/incorrect written statements.
- Succession Disputes
- Applications for Consent

- Determination of whether a property is fit for human habitation given the particular reference to the Housing Health and Safety Rating System in Section 94(2).

6. HOUSING WALES ACT

What is the inter play between this legislation and the licensing regime provided for by Part 1 of the Housing (Wales) Act?

Would a failure to supply a written statement within the required period be deemed to be a contravention which would fall into paragraph 3(c) of Section 20 re: the fit and proper person test?

Would a failure to supply a written statement be sufficient for a licensing authority to revoke a license under S.25(i)?

Would a licensing Authority make compliance with the new Bill an automatic condition of all Licenses?

Given that the Tribunal has jurisdiction to deal with Appeals in relation to Licensing and given that the Tenant is entitled to deduct any compensation awarded for breach of this requirement from the Rent would it make more sense for the Tribunal to deal with such breaches rather than a Court?

As no criminal offence is created (a failure to comply merely attracts compensation) how would a licensing authority be made aware of such a

breach? Where a case is successfully pursued by a Tenant in a Court/Tribunal should there be a duty on the Court/Tribunal to notify the Licensing Authority?

APPEALS

It should be noted that in so far as the RPT were to be given jurisdiction to deal with cases under the Act, Appeal would be to the Upper Tribunal Lands Chamber.

GENERALLY

The Act perceives that Landlord and Tenant enter into a negotiation regarding the form of the Contract. In my experience this is highly unlikely. In circumstances where pressure on the rental market is high and stock turns over very quickly it is highly probable that a Tenant will take what he is given.

The protection of the Act in prescribing certain conditions which cannot be altered offers some protection as does the condition that others cannot be altered to the detriment of the tenant but it is unrealistic to suppose that in most circumstances there will be any “negotiation” at all.

From a personal point of view having seen a draft of the proposed contract I think it highly unlikely that it will be read by an average tenant before it is signed. The report published on the Welsh Government Website contains a huge amount of information. Whilst the principle that all Occupiers should be

provided with a written contract is in principle a good idea a 26-30 page document which presumably will need to be provided bilingually is unmanageable. I appreciate that not all contracts will have to contain all that is in the proposed draft standard document.

Petition: P-04 -607 Call for the Welsh Government to Purchase Garth Celyn.

Dear *Chris*

You may be aware that the Committee have been considering the following petition:

This historic building and grounds are up for sale. Such is the importance of this building/grounds to Wales and its history we call upon the Welsh Government to do what's right and secure Garth Celyn for the Welsh people once and for all. About the year 1200, Prince Llywelyn ap Iorwerth constructed a royal home on Garth Celyn. To the east of the Llys was the newly endowed Cistercian Monastery of Aberconwy; to the west the cathedral city of Bangor. Between Garth Celyn and the shore the fertile farmland provided food for the royal family, members of the court, and the local community. The sea and the river had fish in abundance and there was wild game to be hunted in the uplands. The village of Aber Garth Celyn on the west side of the river was a bustling, thriving place. Travellers negotiating the dangerous Lafan Sands were given food and lodging in the valley. Goods brought by sea to the Port of Llanfaes were being distributed to other points on the mainland from here. Animals were herded along this routeway to and from the mountains. Grain was carted to the mill. The community came to attend services in the church. Pilgrims from far and wide walked the trackway and paused for refreshments. Bards came to recite poetry recalling the deeds of the heroes, the great defender.

Pwerau

- 7.1 Mae rhan 4, adran 33(9) o Fil yr Amgylchedd Hanesyddol (Cymru) yn rhoi pwerau i wneud rheoliadau.
- 7.2 Mae rhan 4, adran 36 o Fil yr Amgylchedd Hanesyddol (Cymru) yn rhoi pwerau i gyhoeddi canllawiau.

Disgrifiad

- 7.3 Mae rhan 4, adrannau 33 i 36 o Fil yr Amgylchedd Hanesyddol (Cymru) yn nodi'r gofyniad am sefydlu cofnodion amgylchedd hanesyddol yng Nghymru. Mae adran 33 yn rhoi dyletswydd ar bob awdurdod cynllunio lleol i greu, cadw a diweddarau cofnodion amgylchedd hanesyddol ar gyfer ei ardal. Mae adran 33(2) yn nodi'r wybodaeth y mae'n rhaid ei chynnwys mewn cofnod amgylchedd hanesyddol. Mae hyn yn cynnwys:
- manylion yr asedau hanesyddol hynny sy'n warchoddedig neu'n gofrestredig o dan Ddeddf 1979 neu Ddeddf 1990;
 - manylion pob safle gwrthdaro sydd o ddiddordeb hanesyddol ym marn yr awdurdod;
 - manylion pob tirwedd hanesyddol yn ardal yr awdurdod;
 - manylion pob safle treftadaeth y byd yn ardal yr awdurdod;
 - manylion pob ardal, safle neu le arall yn ardal yr awdurdod sydd o ddiddordeb archaeolegol neu bensaernïol ym marn yr awdurdod;
 - gwybodaeth am y ffordd y mae datblygiad hanesyddol, archaeolegol neu bensaernïol ardal, neu ran o ardal, awdurdod wedi cyfrannu at gymeriad presennol yr ardal, neu ran o ardal, ac am sut y gellir cadw'r cymeriad hwnnw, a
 - manylion ymchwiliadau perthnasol sydd wedi eu gwneud yn ardal yr awdurdod a manylion canlyniadau'r ymchwiliadau hynny.
- 7.4 Mae adran 33(9) yn galluogi Gweinidogion Cymru i ddiwygio, drwy reoliadau, y categorïau o wybodaeth y mae'n rhaid ei chynnwys mewn cofnod amgylchedd hanesyddol. Mae'r Bil yn ei gwneud yn ofynnol i Weinidogion Cymru ymgynghori ag awdurdodau cynllunio lleol ac unrhyw berson arall y maent yn ei ystyried yn briodol cyn gwneud y rheoliadau.

Mae'r categorïau o wybodaeth sydd wedi'u cynnwys yn y Bil yn seiliedig ar gynnwys cyfredol y cofnodion amgylchedd hanesyddol. Yn y dyfodol, efallai yr ystyrir bod categorïau eraill o wybodaeth am yr amgylchedd hanesyddol yn angenrheidiol fel sail i gyngor a chymau gweithredu archaeolegol a threftadaethol eraill. Er enghraifft, efallai yr ystyrir ei bod yn briodol ei gwneud yn ofynnol cynnwys safleoedd sy'n arwyddocaol yn ddiwylliannol neu dreftadaeth anniriaethol, neu ddiwygio'r gofyniad i gynnwys 'pob safle arall... mewn ardal awdurdod' a rhoi rhestr fwy diffiniedig yn lle hynny. Caiff effeithiolrwydd y categorïau yn y Bil eu hadolygu gan Gomisiwn Henebion Cymru fel rhan o'r gwaith o fonitro meincnodau a safonau ar ran Gweinidogion Cymru.
- 7.7 Mae'r cais i ddiwygio'r categorïau o wybodaeth a gynhwysir mewn cofnod amgylchedd hanesyddol yn debygol o ddod o'r sector amgylchedd hanesyddol. Yn ychwanegol, fel y mae'r Bil yn ei gwneud yn ofynnol, bydd Gweinidogion Cymru yn ymgynghori'n ffurfiol ag awdurdodau cynllunio lleol ac eraill cyn gwneud y rheoliadau.

Mae'r drafft wedi ei rannu â Chomisiwn Brenhinol Henebion Cymru, Cymdeithas Llywodraeth Leol Cymru ac ymddiriedolaethau archaeolegol Cymru, a chynhelir ymgynghoriad arno ar ôl i ddarpariaethau'r Bil gael eu cadarnhau'n derfynol.

8. Panel Cyngori ar gyfer Amgylchedd Hanesyddol Cymru

Bwriad y Polisi

8.4 Bydd angen i'r panel arddangos annibyniaeth, uniondeb a didueddrwydd. Bydd y panel yn rhoi cyngor i Weinidogion Cymru ar ystod o faterion polisi, strategaeth a chyllido. Gallai llawer o'r penderfyniadau a gymerir gan Weinidogion Cymru ar y materion hyn effeithio'n uniongyrchol ar ystod o sefydliadau boed hynny o ran y polisïau y bydd yn rhaid iddynt eu gweithredu neu'r cyllid a allai gael ei ddyfarnu iddynt (neu beidio). Caiff protocolau gweithredu eu defnyddio i ddelio ag unrhyw wrthdaro buddiannau posibl y tu hwnt i'r rhai a bennir yn y ddeddfwriaeth a'r rheoliadau.

Chapter IV

Enforcement

38 Power to issue listed building enforcement notice

- (1) Where it appears to the local planning authority--
 - (a) that any works have been or are being executed to a listed building in their area; and
 - (b) that the works are such as to involve a contravention of section 9(1) or (2),
 they may, if they consider it expedient to do so having regard to the effect of the works on the character of the building as one of special architectural or historic interest, issue a notice under this section (in this Act referred to as a "listed building enforcement notice").
- (2) A listed building enforcement notice shall specify the alleged contravention and require such steps as may be specified in the notice to be taken . . . --
 - (a) for restoring the building to its former state; or
 - (b) if the authority consider that such restoration would not be reasonably practicable or would be undesirable, for executing such further works specified in the notice as they consider necessary to alleviate the effect of the works which were carried out without listed building consent; or
 - (c) for bringing the building to the state in which it would have been if the terms and conditions of any listed building consent which has been granted for the works had been complied with.
- (3) A listed building enforcement notice--
 - (a) shall specify the date on which it is to take effect and, subject to sections 39(3) and 65(3A), shall take effect on that date, and
 - (b) shall specify the period within which any steps are required

to be taken and may specify different periods for different steps,

and, where different periods apply to different steps, references in this Part to the period for compliance with a listed building enforcement notice, in relation to any step, are to the period within which the step is required to be taken.

- (4) A copy of a listed building enforcement notice shall be served, not later than 28 days after the date of its issue and not later than 28 days before the date specified in it as the date on which it is to take effect --
 - (a) on the owner and on the occupier of the building to which it relates; and
 - (b) on any other person having an interest in that building which in the opinion of the authority is materially affected by the notice.
- (5) The local planning authority may--
 - (a) withdraw a listed building enforcement notice (without prejudice to their power to issue another); or
 - (b) waive or relax any requirement of such a notice and, in particular, may extend the period specified in accordance with section 38(3),

and the powers conferred by this subsection may be exercised whether or not the notice has taken effect.

- (6) The local planning authority shall, immediately after exercising the powers conferred by subsection (5), give notice of the exercise to every person who has been served with a copy of the listed building enforcement notice or would, if the notice were re-issued, be served with a copy of it.
- (7) Where a listed building enforcement notice imposes any such requirement as is mentioned in subsection (2)(b), listed building consent shall be deemed to be granted for any works of demolition, alteration or extension of the building executed as a result of compliance with the notice.

39 Appeal against listed building enforcement notice

- (1) A person having an interest in the building to which a listed building enforcement notice relates or a relevant occupier may appeal to the Secretary of State against the notice on any of the following grounds--
 - (a) that the building is not of special architectural or historic interest;
 - (b) that the matters alleged to constitute a contravention of

section 9(1) or (2) have not occurred;

- (c) that those matters (if they occurred) do not constitute such a contravention ;
 - (d) that works to the building were urgently necessary in the interests of safety or health or for the preservation of the building, that it was not practicable to secure safety or health or, as the case may be, the preservation of the building by works of repair or works for affording temporary support or shelter, and that the works carried out were limited to the minimum measures immediately necessary;
 - (e) that listed building consent ought to be granted for the works, or that any relevant condition of such consent which has been granted ought to be discharged, or different conditions substituted;
 - (f) that copies of the notice were not served as required by section 38(4);
 - (g) except in relation to such a requirement as is mentioned in section 38(2)(b) or (c), that the requirements of the notice exceed what is necessary for restoring the building to its condition before the works were carried out;
 - (h) that the period specified in the notice as the period within which any step required by the notice is to be taken falls short of what should reasonably be allowed;
 - (i) that the steps required by the notice for the purpose of restoring the character of the building to its former state would not serve that purpose;
 - (j) that steps required to be taken by virtue of section 38(2)(b) exceed what is necessary to alleviate the effect of the works executed to the building;
 - (k) that steps required to be taken by virtue of section 38(2)(c) exceed what is necessary to bring the building to the state in which it would have been if the terms and conditions of the listed building consent had been complied with.
- (2) An appeal under this section shall be made . . .--
- (a) by giving written notice of the appeal to the Secretary of State before the date specified in the listed building enforcement notice as the date on which it is to take effect; or
 - (b) by sending such notice to him in a properly addressed and pre-paid letter posted to him at such time that, in the ordinary course of post, it would be delivered to him before that date ; or
 - (c) by sending such notice to him using electronic

communications at such time that, in the ordinary course of transmission, it would be delivered to him before that date .

- (3) Where such an appeal is brought the listed building enforcement notice shall subject to any order under section 65(3A) be of no effect pending the final determination or the withdrawal of the appeal.
- (4) A person who gives notice of appeal under this section shall submit to the Secretary of State, either when giving the notice or within such time as may be prescribed, a statement in writing--
 - (a) specifying the grounds on which he is appealing against the listed building enforcement notice; and
 - (b) giving such further information as may be prescribed.
- (5) If, where more than one ground is specified in the statement, the appellant does not give information required under subsection (4)(b) in relation to each of those grounds within the prescribed time, the Secretary of State may determine the appeal without considering any ground as to which the appellant has failed to give such information within that time.
- (6) Where any person has appealed to the Secretary of State under this section against a notice, no person shall be entitled, in any other proceedings instituted after the making of the appeal, to claim that the notice was not duly served on the person who appealed.
- (7) In this section "relevant occupier" means a person who--
 - (a) on the date on which the listed building enforcement notice is issued occupies the building to which the notice relates by virtue of a licence . . . ; and
 - (b) continues so to occupy the building when the appeal is brought.

40 Appeals: supplementary provisions

- (1) The Secretary of State may by regulations prescribe the procedure which is to be followed on appeals under section 39, and in particular, but without prejudice to the generality of this subsection may--
 - (a) require the local planning authority to submit, within such time as may be prescribed, a statement indicating the submissions which they propose to put forward on the appeal;
 - (b) specify the matters to be included in such a statement;
 - (c) require the authority or the appellant to give such notice of such an appeal as may be prescribed, being notice which in

the opinion of the Secretary of State is likely to bring the appeal to the attention of persons in the locality in which the building in question is situated;

- (d) require the authority to send to the Secretary of State, within such period from the date of the bringing of the appeal as may be prescribed, a copy of the enforcement notice and a list of the persons served with copies of it.
- (2) Subject to section 41(4), the Secretary of State shall, if either the appellant or the local planning authority so wish, give each of them an opportunity of appearing before and being heard by a person appointed by the Secretary of State for the purpose.
- [(2A) Subsection (2) does not apply to an appeal against a listed building enforcement notice issued by a local planning authority in England.]⁹
- (2B) Subsection (2) does not apply to an appeal against a listed building enforcement notice issued by a local planning authority in Wales.¹⁰
- (3) Schedule 3 applies to appeals under section 39.

41 Determination of appeals under s 39

- (1) On an appeal under section 39 the Secretary of State may--
 - (a) correct any defect, error or misdescription in the listed building enforcement notice; or
 - (b) vary the terms of the listed building enforcement notice, if he is satisfied that the correction or variation will not cause injustice to the appellant or the local planning authority.
- (2) Where the Secretary of State determines to allow the appeal, he may quash the notice.
- (2A) The Secretary of State shall give any directions necessary to give effect to his determination on the appeal.
- (3) The Secretary of State--
 - (a) may dismiss such an appeal if the appellant fails to comply with section 39(4) within the prescribed time; and

- (4) If [section 40(2) would otherwise apply and]¹¹ the Secretary of State proposes to dismiss an appeal under paragraph (a) of subsection (3) [of this section] or to allow an appeal and quash the listed building enforcement notice under paragraph (b) of that subsection he need not comply with section 40(2).
- (5) Where it would otherwise be a ground for determining an appeal in favour of the appellant that a person required to be served with a copy of the listed building enforcement notice was not served, the Secretary of State may disregard that fact if neither the appellant nor that person has been substantially prejudiced by the failure to serve him.
- (6) On the determination of an appeal the Secretary of State may--
 - (a) grant listed building consent for the works to which the listed building enforcement notice relates or for part only of those works;
 - (b) discharge any condition or limitation subject to which listed building consent was granted and substitute any other condition, whether more or less onerous;

- (8) Subsection (5) of section 250 of the Local Government Act 1972 (which authorises a Minister holding an inquiry under that section to make orders with respect to the costs of the parties) shall apply in relation to any proceedings in England¹² before the Secretary of State on an appeal under section 39 as if those proceedings were an inquiry held by the Secretary of State under section 250.

42 Execution of works required by listed building enforcement notice

- (1) If any of the steps specified in the listed building enforcement notice have not been taken within the period for compliance with the notice, the authority may--

 - (b) any sums paid by the owner of the building under subsection (1) in respect of expenses incurred by the local planning authority in taking steps required by it,

shall be deemed to be incurred or paid for the use and at the request of the person who carried out the works to which the notice relates.

- (3) Regulations under this Act may provide that all or any of the following sections of the Public Health Act 1936, namely--

- (4) Regulations under subsection (3) applying all or any of section 289 of that Act may include adaptations and modifications for the purpose of giving the owner of land to which such a notice relates the right, as against all other persons interested in the land, to comply with the requirements of the notice.
- (5) Regulations under subsection (3) may also provide for the charging on the land on which the building stands of any expenses recoverable by a local planning authority under subsection (1).
- (6) Any person who wilfully obstructs a person acting in the exercise of powers under subsection (1) shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 3 on the standard scale.
- (7) . . .

43 Offence where listed building enforcement notice not complied with

- (1) Where, at any time after the end of the period for compliance with the notice, any step required by a listed building enforcement notice to be taken has not been taken, the person who is then owner of the land is in breach of the notice.

44 Effect of listed building consent on listed building enforcement notice

- (1) If, after the issue of a listed building enforcement notice, consent is granted under section 8(3)--
 - (a) for the retention of any work to which the notice relates; or
 - (b) permitting the retention of works without compliance with some condition subject to which a previous listed building consent was granted,the notice shall cease to have effect in so far as it requires steps to be taken involving the works not being retained or, as the case may be, for complying with that condition.
- (2) The fact that such a notice has wholly or partly ceased to have effect under subsection (1) shall not affect the liability of any

person for an offence in respect of a previous failure to comply with that notice.

44A Injunctions

- (1) Where a local planning authority consider it necessary or expedient for any actual or apprehended contravention of section 9(1) or (2) to be restrained by injunction, they may apply to the court for an injunction, whether or not they have exercised or are proposing to exercise any of their other powers under this Part.
- (2) On an application under subsection (1) the court may grant such an injunction as the court thinks appropriate for the purpose of restraining the contravention.

- (3) A temporary stop notice must be in writing and must—
 - (a) specify the works in question;

(8) But if the authority withdraws the notice before the time when it would otherwise cease to have effect under subsection (7), the notice ceases to have effect on its withdrawal.

(9) A local planning authority may not issue a subsequent temporary stop notice in relation to the same works unless the authority have, since issuing the previous notice, taken other enforcement action in relation to the contravention referred to in subsection (1)(b).

(10) The reference in subsection (9) to taking other enforcement action includes a reference to obtaining an injunction under section 44A.

(11) A temporary stop notice does not prohibit the execution of works of such description, or the execution of works in such circumstances, as the Welsh Ministers may by regulations prescribe.

A 29(1)

44C Temporary stop notices: offence

(1) A person is guilty of an offence if the person contravenes, or causes or permits a contravention of, a temporary stop notice—

- (1) A person who, on the day when a temporary stop notice is first displayed in accordance with section 44B(5), has an interest in the building is, on making a claim to the local planning authority within the prescribed time and in the prescribed manner, entitled to be paid compensation by the authority in respect of any loss or damage directly attributable to the effect of the notice.
- (2) But subsection (1) applies only if—
- (a) the works specified in the notice are not such as to involve a contravention of section 9(1) or (2); or
 - (b) the authority withdraws the notice other than following the grant of listed building consent, after the day mentioned in subsection (1), which authorises the works.
- (3) The loss or damage in respect of which compensation is payable under this section includes a sum payable in respect of a breach of contract caused by the taking of action necessary to comply with the notice.

6A Commission's powers of entry in relation to scheduled monuments

- (1) Any person duly authorised in writing by the Commission may at any reasonable time enter any land in England for the purpose of inspecting any scheduled monument in, on or under the land with a view to ascertaining whether any works affecting the monument have been or are being carried out in contravention of section 2(1) of this Act and so to enabling the Commission to decide whether to institute proceedings in England for an offence under section 2(1).

- (a) observing the execution on the land of any works to which a scheduled monument consent relates; and
 - (b) inspecting the condition of the land and the scheduled monument in question after the completion of any such works,
- with a view to ascertaining whether the works in question are or have been executed in accordance with the terms of the consent and of any conditions attached to the consent, and so to enabling the Commission to decide whether to institute proceedings in England for an offence under section 2(1) or (6) of this Act.
- (3) Any person duly authorised in writing by the Commission may at any reasonable time enter any land in England for the purpose of inspecting any scheduled monument in, on or under the land in connection with any consultation made in respect of the monument under section 4(3) of this Act or paragraph 3(3)(c) of Schedule 1 to this Act.
- (4) Any person duly authorised in writing by the Commission may enter any land which is in England and in, on or under which a scheduled monument is situated, with the consent of the owner and (if the owner is not the occupier) of the occupier of the land, for the purpose of erecting and maintaining on or near the site of the monument such notice boards and marker posts as appear to the Commission to be desirable with a view to preserving the monument from accidental or deliberate damage.
- (5) References in this section to scheduled monument consent include references to consent granted by order under section 3 of this Act.

7 **Compensation for refusal of scheduled monument consent**

- (1) Subject to the following provisions of this section, where a person who has an interest in the whole or any part of a monument incurs expenditure or otherwise sustains any loss or damage in consequence of the refusal, or the granting subject to conditions, of a scheduled monument consent in relation to any works of a description mentioned in subsection (2) below, the Secretary of State or (where the monument in question is situated in England) the Commission shall pay to that person compensation in respect of that expenditure, loss or damage.

References in this section and in section 8 of this Act to compensation being paid in respect of any works are references to compensation being paid in respect of any expenditure incurred or other loss or damage sustained in consequence of the refusal, or the granting subject to conditions, of a scheduled monument consent in relation to those works.

- (2) The following are works in respect of which compensation is payable under this section--
- (a) works which are reasonably necessary for carrying out any development for which planning permission had been granted (otherwise than by a general development order) before the time when the monument in question became a scheduled monument and was still effective at the date of the application for scheduled monument consent;
 - (b) works which do not constitute development, or constitute development such that planning permission is granted therefor by a general development order; and
 - (c) works which are reasonably necessary for the continuation of any use of the monument for any purpose for which it was in use immediately before the date of the application for scheduled monument consent.

For the purpose of paragraph (c) above, any use in contravention of any legal restrictions for the time being applying to the use of the monument shall be disregarded.

- (3) The compensation payable under this section in respect of any works within subsection (2)(a) above shall be limited to compensation in respect of any expenditure incurred or other loss or damage sustained by virtue of the fact that, in consequence of the Secretary of State's decision, any development for which the planning permission in question was granted could not be carried out without contravening section 2(1) of this Act.
- (4) In the case of a monument situated in England, a person shall not A 10(1)

be entitled to compensation under this section by virtue of subsection (2)(b) above if the works in question or any of them would or might result in the total or partial demolition or destruction of the monument, unless those works consist solely of operations involved in or incidental to the use of the site of the monument for the purposes of agriculture or forestry (including afforestation).

(4A) In the case of a monument situated in Wales, a person is not entitled to compensation under this section by virtue of section (2)(b) if the works in question or any of them would or might result in the total or partial demolition or destruction of the monument, unless those works consist solely of operations involved in or incidental to the use of the site of the monument for purposes specified by the Welsh Ministers by regulations.

A 10(2)

- (5) In a case where scheduled monument consent is granted subject to conditions, a person shall not be entitled to compensation under this section by virtue of subsection (2)(c) above unless compliance with those conditions would in effect make it impossible to use the monument for the purpose there mentioned.
- (6) In calculating, for the purposes of this section, the amount of any loss or damage consisting of depreciation of the value of an interest in land--
 - (a) it shall be assumed that any subsequent application for scheduled monument consent in relation to works of a like description would be determined in the same way; but
 - (b) in the case of a refusal of scheduled monument consent, the Secretary of State, on refusing that consent, undertook to grant such consent for some other works affecting the monument in the event of an application being made in that behalf, regard shall be had to that undertaking.
- (7) References in this section to a general development order are references to a development order made as a general order applicable (subject to such exceptions as may be specified therein) to all land.

8 Recovery of compensation under section 7 on subsequent grant of consent

- (1) Subject to the following provisions of this section, this section applies--
 - (a) in a case where compensation under section 7 of this Act was paid in consequence of the refusal of a scheduled monument consent, if the Secretary of State subsequently grants scheduled monument consent for the execution of all or any of

- the works in respect of which the compensation was paid; and
- (b) in a case where compensation under that section was paid in consequence of the granting of a scheduled monument consent subject to conditions, if the Secretary of State subsequently so modifies that consent that those conditions, or any of them, cease to apply to the execution of all or any of the works in respect of which the compensation was paid or grant a new consent in respect of all or any of those works free from those conditions, or any of them.
- (2) This section does not apply in any case unless--
- (a) the compensation paid exceeded £20; and
 - (b) the requirement mentioned in subsection (2A) below is fulfilled.
- (2A) The requirement is that--
- (a) where the monument in question is situated in England, the Commission have caused notice of the payment of compensation to be deposited with the council of each district or London borough in which the monument is situated or (where it is situated in the City of London, the Inner Temple or the Middle Temple) with the Common Council of the City of London;
 - (b) where the monument in question is situated in Scotland, the Secretary of State has caused such notice to be deposited with the local authority of each area in which the monument is situated;
 - (c) where the monument in question is situated in Wales, the Secretary of State has caused such notice to be deposited with the council of each county or county borough in which the monument is situated.
- (3) In granting or modifying a scheduled monument consent in a case to which this section applies the Secretary of State may do so on terms that no works in respect of which the compensation was paid are to be executed in pursuance of the consent until the recoverable amount has been repaid to the Secretary of State or secured to his satisfaction or (as the case may be) has been repaid to the Commission or secured to their satisfaction.

Subject to subsection (4) below, in this subsection "the recoverable amount" means such amount (being an amount representing the whole of the compensation previously paid or such part thereof as the Secretary of State thinks fit) as the Secretary of State may specify in giving notice of his decision on the application for scheduled monument consent or (as the case may be) in the

direction modifying the consent.

- (4) Where a person who has an interest in the whole or any part of a monument is aggrieved by the amount specified by the Secretary of State as the recoverable amount for the purpose of subsection (3) above, he may require the determination of that amount to be referred to the Upper Tribunal or (in the case of a monument situated in Scotland) to the Lands Tribunal for Scotland; and in any such case the recoverable amount for the purposes of that subsection shall be such amount (being an amount representing the whole or any part of the compensation previously paid) as that Tribunal may determine to be just in the circumstances of the case.
- (5) A notice deposited under subsection (2)(b) above shall specify the decision which gave rise to the right to compensation, the monument affected by the decision, and the amount of the compensation.
- (6) A notice so deposited in the case of a monument situated in England and Wales shall be a local land charge; and for the purposes of the Local Land Charges Act 1975 the council with whom any such notice is deposited shall be treated as the originating authority as respects the charge thereby constituted.

9 Compensation where works affecting a scheduled monument cease to be authorised

- (1) Subject to the following provisions of this section, where any works affecting a scheduled monument which were previously authorised under this Part of this Act cease to be so, then, if any person who has an interest in the whole or any part of the monument--
 - (a) has incurred expenditure in carrying out works which are rendered abortive by the fact that any further works have ceased to be so authorised; or
 - (b) has otherwise sustained loss or damage which is directly attributable to that fact;the Secretary of State or (where the monument in question is situated in England) the Commission shall pay to that person compensation in respect of that expenditure, loss or damage.
- (2) Subsection (1) above only applies where the works cease to be authorised under this Part of this Act--
 - (a) by virtue of the fact that a scheduled monument consent granted by order under section 3 of this Act ceases to apply to any scheduled monument (whether by virtue of variation or

- revocation of the order or by virtue of a direction under subsection (3) of that section); or
- (b) by virtue of the modification or revocation of a scheduled monument consent by a direction given under section 4 of this Act; or
 - (c) in accordance with paragraph 8 of Schedule 1 to this Act, by virtue of the service of a notice of proposed modification or revocation of a scheduled monument consent under paragraph 5 of that Schedule.
- (3) A person shall not be entitled to compensation under this section in a case falling within subsection (2)(a) above unless, on an application for scheduled monument consent for the works in question, consent is refused, or is granted subject to conditions other than those which previously applied under the order.
 - (4) For the purposes of this section, any expenditure incurred in the preparation of plans for the purposes of any works, or upon other similar matters preparatory thereto, shall be taken to be included in the expenditure incurred in carrying out those works.
 - (5) Subject to subsection (4) above, no compensation shall be paid under this section in respect of any works carried out before the grant of the scheduled monument consent in question, or in respect of any other loss or damage (not being loss or damage consisting of depreciation of the value of an interest in land) arising out of anything done or omitted to be done before the grant of that consent.

Cyflwyniad

Mae amgylchedd hanesyddol Cymru wedi'i lunio gan genedlaethau'r gorffennol. Mae'n dangos i ni o ble rydym wedi dod ac mae'n gwella ansawdd ein bywydau. Mae'r hanes sydd o'n cwmpas yn helpu i'n diffinio fel cenedl. Mae'r amgylchedd hanesyddol hefyd yn fregus; mae pen draw iddo fel adnodd. Mae ein huchelgais i warchod a rheoli'r amgylchedd hanesyddol yn effeithiol yn ddibynnol ar gael gwybodaeth awdurdodol o safon.

Mae siambr gladdu Cors y Gedol yn heneb gofrestredig. Ystyrir ei bod o bwysigrwydd cenedlaethol gan ei bod yn ehangu ein gwybodaeth am arferion claddu a defodau cynhanesyddol.

O dan ddarpariaethau Bil yr Amgylchedd Hanesyddol (Cymru),⁴ mae'n rhaid i bob awdurdod cynllunio lleol yng Nghymru lunio a diweddarau cofnod amgylchedd hanesyddol (CAH) ar gyfer ei ardal weinyddol. Mae'n rhaid i'r awdurdod cynllunio lleol hefyd sicrhau bod ei CAH ar gael i'r cyhoedd a rhoi cyngor a chymorth i'r rhai sydd am gael gafael ar y wybodaeth a geir ynddo a'i deall.

Mae Adran 35 o Fil yr Amgylchedd Hanesyddol (Cymru), yn galluogi awdurdodau cynllunio lleol i ddewis llunio, rheoli a chynnal eu cofnod amgylchedd hanesyddol eu hunain neu gyflawni eu swyddogaethau drwy unigolyn neu sefydliad arall, naill ai'n unigol neu ar y cyd ag awdurdod cynllunio lleol arall.

Mae'r canllawiau hyn yn esbonio rôl a chyfrifoldebau awdurdodau cynllunio lleol, Llywodraeth Cymru a Chomisiwn Brenhinol Henebion Cymru (CBHC) o ran

CAHau. Maent hefyd yn nodi safonau a meincnodau ar gyfer cynnwys a chwmpas, safonau data, mynediad cyhoeddus ac ymgysylltu â'r cyhoedd, darparu gwasanaethau ac archwilio mewn perthynas â'r cofnodion amgylchedd hanesyddol.

Nid yw'r canllawiau hyn yn ymdrin ag agweddau cysylltiedig ar weithgarwch rheoli gwybodaeth am yr amgylchedd hanesyddol a gyflawnir gan awdurdodau cynllunio lleol, megis cofnodi prosesau busnes mewn systemau cefn swyddfa yn systematig — gan gynnwys trafodaethau cyn ymgeisio, ceisiadau am gydsyniad a champau gorfodi. Ac nid ydynt yn gymwys ychwaith i gofnodion sy'n ymwneud â'r amgylchedd hanesyddol a ddatblygwyd gan dirfeddianwyr mawr, megis Ystadau Amddiffyn neu'r Ymddiriedolaeth Genedlaethol, neu gyrff eraill.

I. Cofnodion Amgylchedd Hanesyddol

I.1 Beth yw Cofnod Amgylchedd Hanesyddol?

Mae'r amgylchedd hanesyddol yn cynnwys pob agwedd ar yr ardal o'n hamgylch a adeiladwyd, a ffurfiwyd neu y dylanwadwyd ami gan weithgareddau dynol o'r cyfnodau cynharaf i'r cyfnodau mwyaf diweddar. Storfa gwybodaeth wedi'i threfnu'n systematig yw CAH am yr amgylchedd hanesyddol mewn ardal benodol ac mae ar gael i bawb. Caiff ei chynnal a'i diweddarau er budd y cyhoedd.

Mae CAHau yn cynnwys gwybodaeth ac yn cyfeirio at wybodaeth am dirweddau, adeiladau, safleoedd archeolegol a darganfyddiadau hanesyddol. Maent hefyd yn cynnwys cofnodion pobl sy'n ymwneud ag ymchwilio i'r amgylchedd hanesyddol, ffynonellau gwybodaeth am eu hardaloedd a'r broses rheoli cadwraeth. Mae cynnwys CAHau yn ffrwyth degawdau o weithgarwch casglu a choladu gwybodaeth o amrywiaeth o ffynonellau, gan gynnwys cofnodion cynnar yr Arolwg Ordians, Cofnod Henebion Cenedlaethol Cymru (a gynhelir gan CBHC), amgueddfeydd, archifdai a

llyfrgelloedd. Maent hefyd yn cynnwys gwybodaeth gan y cyhoedd a chanlyniadau gwaith maes archeolegol.

Mae CAH yn cynnwys cronfa ddata ddigidol sydd wedi'i chysylltu â system gwybodaeth ddaearyddol (GIS) a ategir gan ddeunydd cyfeirio cysylltiedig. Gall deunydd cyfeirio fod ar ffurf ddigidol neu bapur a chynnwys ffotograffau a dynnwyd o'r awyr, copïau o fapiau cynnar ac adroddiadau hynafiaethwyr, astudiaethau o nodweddion, llenyddiaeth 'lwyd' nas cyhoeddwyd a llyfrgell gyfeirio sy'n cynnwys ffynonellau eilaidd.

Mae CAH yn adnodd deinamig sy'n datblygu drwy'r amser y mae angen ei gynnal ac ychwanegu ato yn barhaus wrth i wybodaeth newydd am yr amgylchedd hanesyddol ddod i law. Felly, ni all CAH byth fod yn gofnod diffiniol. Mae angen neilltuo adnodd staffio penodol â chymwysterau priodol i gynnal y CAH a sicrhau y gall y cyhoedd ei ddefnyddio.

Darperir y cynnwys sylfaenol sy'n ofynnol gan CAH, fel y'i nodir ym Mil yr Amgylchedd Hanesyddol (Cymru),⁵ yn adran 3.1.

Mae cloddiad archaeolegol yn ffynhonnell o wybodaeth a ddylai gael ei chadw yn y cofnodion amgylchedd hanesyddol.

1.2 Ar gyfer Beth y Defnyddir Cofnod Amgylchedd Hanesyddol?

Mae gwasanaethau CAHau yn sicrhau bod gwybodaeth ar gael am amgylchedd hanesyddol Cymru er budd y cyhoedd ac yn cyflawni amrywiaeth eang o swyddogaethau sy'n cynnwys y canlynol:

- gwella gwybodaeth a dealltwriaeth o'r amgylchedd hanesyddol
- helpu i gadw, rheoli a gwarchod yr amgylchedd hanesyddol
- llywio polisiâu strategol a chynlluniau datblygu lleol
- llywio penderfyniadau ynghylch rheoli datblygu

- annog y cyhoedd i fynd ati i ddarganfod treftadaeth leol, a'i gwerthfawrogi a'i mwynhau.

Yng Nghymru, mae CAHau wedi datblygu o'r cofnodion o safleoedd a henebion a sefydlwyd yn y 1970au gan bedair ymddiriedolaeth archeolegol Cymru er mwyn cynorthwyo eu rhaglenni gwaith eu hunain a rhoi gwybodaeth a chynngor archeolegol i berchenogion, datblygwyr, cynllunwyr a rhanddeiliaid eraill. Ceir trosolwg o wasanaethau CAHau yng Nghymru yn Atodiad I.

Gall y cofnod amgylchedd hanesyddol helpu gydag addysg a chynhwysiant cymdeithasol.

1.3 Beth yw Perthynas Cofnod Amgylchedd Hanesyddol â Chofnodion Eraill?

Yn ogystal â CAHau, ceir ffynonellau eraill o wybodaeth am yr amgylchedd hanesyddol. Yn genedlaethol, Llywodraeth Cymru yw'r brif ffynhonnell ar gyfer cofnodion sy'n ymwneud â henebion ac adeiladau sydd yng ngofal y wladwriaeth ac asedau hanesyddol dynodedig sydd o bwys cenedlaethol gan gynnwys adeiladau rhestredig, henebion cofrestredig, llongdrylliadau dynodedig a pharciau a gerddi hanesyddol cofrestredig. Gall y cyhoedd gael gafael ar ddata wedi'u mapio a data disgrifiadau ar gyfer yr asedau hanesyddol hyn drwy wasanaeth amgylchedd hanesyddol Llywodraeth Cymru, sef Cadw.⁶

Mae CBHC yn cynnal Cofnod Henebion Cenedlaethol Cymru, sef yr archif genedlaethol ar gyfer amgylchedd hanesyddol Cymru. Mae Coflein yn darparu mynediad cyhoeddus ar-lein i Gofnod Henebion Cenedlaethol Cymru.⁷ Mae CBHC hefyd yn cynnal ac yn datblygu porth Cymru Hanesyddol⁸ fel porth ar-lein i'r cofnodion cenedlaethol a rhanbarthol ac yn curadu'r cofnod morol ar gyfer dyfroedd tiriogaethol Cymru.

Mae Amgueddfa Genedlaethol Cymru ac amgueddfeydd rhanbarthol a lleol yn cadw cofnodion sy'n ymwneud â'r darganfyddiadau archeolegol a'r casgliadau hanesyddol sydd yn eu gofal.

Mae Fframwaith ar gyfer Cofnodion sy'n Ymwneud ag Amgylchedd Hanesyddol Cymru wedi'i sefydlu rhwng prif ddeiliaid (a restrir uchod) cofnodion o'r fath er mwyn sicrhau cydweithrediad rhyngddynt ac y caiff data eu rhannu.

Mae Castell Dolbadam yn heneb gofrestredig y mae Cadw'n gofalu amdani'n uniongyrchol, ar ran Llywodraeth Cymru.

2. Rolau a Chyfrifoldebau

2.1 Awdurdodau Cynllunio Lleol

O dan adran 33 o Fil yr Amgylchedd Hanesyddol (Cymru), mae gan awdurdodau cynllunio lleol ddyletswydd i lunio a diweddarau CAH sydd ar gael i'r cyhoedd ar gyfer eu hardaloedd gweinyddol.⁹ Mae'n rhaid rhoi cyngor a chymorth i'r rhai sydd am gael gafael ar y wybodaeth a geir mewn CAHau a'i deall. Disgwylir i CAHau gyrraedd y safonau a nodir yn y canllawiau hyn (gweler Atodiad 2).

Gall awdurdodau cynllunio lleol ddewis:

- llunio, rheoli a chynnal eu CAH eu hunain neu
- gweithio gydag awdurdodau cynllunio lleol eraill er mwyn creu, rheoli a chynnal CAH ar y cyd neu
- cyflawni eu swyddogaethau drwy fabwysiadu a chefnogi CAH a ddatblygwyd ac a gynhelir gan drydydd parti. Gallant wneud hyn ar eu pen eu hunain neu ar y cyd ag awdurdodau cynllunio eraill.

Os bydd awdurdod cynllunio lleol yn penderfynu cyflawni ei swyddogaethau naill ai ar y cyd ag awdurdod arall neu drwy drydydd parti bydd yn rhaid iddo lunio cytundeb ffurfiol â'r awdurdod neu'r trydydd parti hwnnw a chael caniatâd ysgrifenedig Gweinidogion Cymru. Felly, mae'n rhaid ymgynghori â Gweinidogion Cymru yn gynnar (ynghyd â darpar ddarparwr y gwasanaeth). Wrth ystyried rhoi caniatâd o'r fath, bydd Gweinidogion Cymru yn cyfeirio at y safonau a nodir yn y canllawiau hyn.

Mae'n rhaid i wasanaethau CAHau awdurdodau cynllunio lleol, neu'r darparwr gwasanaethau a ddewiswyd ganddynt, gyrraedd y safonau a nodir yn y canllawiau hyn. Caiff holl CAHau awdurdodau cynllunio lleol (gan gynnwys y rhai a gynhelir gan drydydd parti) eu harchwilio gan CBHC (gweler adran 2.3).

Pan gaiff swyddogaethau awdurdodau cynllunio lleol o ran CAHau eu cyflawni gan drydydd parti, yr awdurdod cynllunio lleol fydd yn gyfrifol o hyd am yr hyn a wneir (neu nas gwneir), fel y diogelir atebolrwydd democrataidd a rhwymedïau arferol cyfraith gyhoeddus.

Yn hanesyddol, nododd Cylchlythyr 60/96 y Swyddfa Gymreig (Cynllunio a'r Amgylchedd Hanesyddol) y dylai awdurdodau cynllunio lleol sydd heb eu staff archeolegol a'u cofnodion safleoedd a henebion eu hunain wneud defnydd llawn o arbenigedd Ymddiriedolaethau Archeolegol Cymru wrth reoli datblygiadau a chynghori ar gynllunio, os oes modd drwy fabwysiadu'r Cofnodion Safleoedd a Henebion rhanbarthol a gynhelir gan yr Ymddiriedolaethau yn ffurfiol.

Yn ymarferol, mae pob awdurdod cynllunio lleol yng Nghymru wedi mabwysiadu'r pedwar CAH rhanbarthol, sef y term a ddefnyddir ar gyfer y cofnodion safleoedd a henebion. Fe'u cynhelir gan ymddiriedolaethau archeolegol Cymru drwy femoranda cyd-ddealltwriaeth rhwng y partion.

Mae Capel Jerwsalem, Bethesda, yn rhestredig gradd I; mae'r tu mewn, a'i fanylder cywrain, yn ddiddorol iawn.

2.2. Llywodraeth Cymru

O dan ddarpariaethau Bil yr Amgylchedd Hanesyddol (Cymru),¹⁰ gall Gweinidogion Cymru gyhoeddi canllawiau ar gyfer CAHau ond mae'n ofynnol iddynt ymgynghori â phob awdurdod cynllunio lleol a'r cyfryw unigolion neu sefydliadau eraill a ystyriant yn briodol.

Bydd Gweinidogion Cymru yn monitro awdurdodau cynllunio lleol er mwyn sicrhau bod eu dyletswyddau o ran gwasanaethau CAHau yn cael eu cyflawni'n effeithiol drwy adolygu gwasanaethau yn erbyn y safonau a nodir yn y canllawiau hyn. Os na fydd awdurdod cynllunio lleol yn darparu ei wasanaethau CAH yn foddhaol, bydd Gweinidog Cymru yn gweithio gyda'r awdurdod cynllunio lleol, a darparwr y gwasanaeth CAH os yw'n gymwys, er mwyn cytuno ar gynllun i unioni diffygion.

Mae Goleudy'r Parlwr Du yn rhestredig gradd II. Mae'n enghraifft dda o oleudy cynnar.

2.3 Comisiwn Brenhinol Henebion Cymru (CBHC)

Sefydlwyd CBHC¹¹ yn 1908 ac ar hyn o bryd mae ei rôl a'i gyfrifoldebau yn deillio o Warant Brenhinol 2000. Mae'n gweithio fel Corff a Noddir gan Lywodraeth Cymru sy'n cael ei gyllid craidd gan Lywodraeth Cymru. Ers 1964 bu CBHC yn gyfrifol am guradu Cofnod Henebion Cenedlaethol Cymru.

Cofnod Henebion Cenedlaethol Cymru yw'r archif a'r rhestr eiddo genedlaethol ar gyfer amgylchedd hanesyddol Cymru, ochr yn ochr ag archifau tebyg yn Lloegr a'r Alban. Mae'n cadw cofnodion a gasglwyd drwy weithgareddau ymchwiliol CBHC yn ogystal â chofnodion a gyfrannwyd gan amrywiaeth eang o sefydliadau ac unigolion preifat eraill.

O dan ei drefniadau gweithredol gyda Llywodraeth Cymru, bu CBHC yn gyfrifol am oruchwylio cofnodion sy'n ymwneud â'r amgylchedd hanesyddol. Ar ran Llywodraeth Cymru, bydd CBHC yn monitro safonau a lefelau gwasanaeth pob CAH a fabwysiadwyd gan awdurdodau cynllunio drwy gydgyssylltu a dilysu archwiliadau bob pum mlynedd er mwyn adolygu ansawdd data, dangos perfformiad yn erbyn pob un o'r dangosyddion a nodi anghenion o ran gwella. Dylid cyhoeddi crynodeb o'r archwiliad ar wefan y CAH.

Mae Pencae, ger y Rhiw, yn rhestredig gradd II; mae'r bwthyn a'r beudy yn nodweddiadol o'r ardal.

Mae Bil yr Amgylchedd Hanesyddol (Cymru) yn diffinio 'safle gwrthdaro' fel maes brwydr neu safle lle y digwyddodd rhyw wrthdaro arall a oedd yn cynnwys lluoedd milwrol, neu safle lle y digwyddodd gweithgareddau arwyddocaol a oedd yn ymwneud â brwydr neu wrthdaro arall o'r fath.¹⁷

Mae CBHC wrthi'n llunio rhestr o feysydd brwydrau hanesyddol yng Nghymru. Mae'n rhaid i'r CAH gynnwys y wybodaeth ddiweddaraf am yr eitemau sydd wedi'u cofnodi ar y rhestr hon sy'n berthnasol i ardal yr awdurdod cynllunio lleol, pan gânt eu darparu gan CBHC, ynghyd â dolenni i'r gronfa ddata ar-lein a gynhelir gan CBHC.

(dd) Pan fo awdurdod cynllunio (ar ei ben ei hun neu ar y cyd ag unigolion eraill) yn cynnal rhestr o dirweddau hanesyddol yng Nghymru, manylion pob tirwedd hanesyddol yn ardal yr awdurdod cynllunio lleol a nodir ar y rhestr.

Mae'r drefn hanesyddol hon ar gaeau yn Rhosili ar Benrhyn Gŵyr wedi'i chofnodi fel tirwedd hanesyddol.

Tirweddau Hanesyddol (dd)

Mae cofrestr o dirweddau hanesyddol wedi'i llunio ar y cyd gan Cadw, ICOMOS (UK) a Chyngor Cefn Gwlad Cymru (sydd bellach yn rhan o Cyfoeth Naturiol Cymru).¹⁸

Mae ymddiriedolaethau archeolegol Cymru wedi gwneud gwaith manwl i ddisgrifio nodweddion y tirweddau

hanesyddol cofrestredig hyn. Mae'n rhaid i'r CAH gynnwys manylion pob un o'r tirweddau hanesyddol cofrestredig sy'n berthnasol i ardal yr awdurdod cynllunio lleol, ynghyd â manylion y gwaith disgrifio cysylltiedig, a dolenni i'r cronfeydd data ar-lein a gynhelir gan ymddiriedolaethau archeolegol Cymru.

(e) Manylion pob Safle Treftadaeth y Byd yn ardal yr awdurdod cynllunio lleol.

Safleoedd Treftadaeth y Byd (e)

Mae'n rhaid i'r CAH gynnwys manylion pob rhan o Safle Treftadaeth y Byd sy'n berthnasol i ardal yr awdurdod cynllunio lleol. Dylai'r CAH ddarparu dolen i'r cynllun rheoli diweddaraf ar gyfer y Safle Treftadaeth y Byd ac unrhyw ganllawiau cynllunio ategol cysylltiedig, perthnasol.

(f) Manylion pob ardal neu safle arall neu bob lle arall yn ardal yr awdurdod cynllunio lleol yr ystyria'r awdurdod ei bod/fod o ddiddordeb hanesyddol, archeolegol neu bensaernïol.

Safleoedd eraill o ddiddordeb hanesyddol, archeolegol neu bensaernïol (f)

Nid yw'r rhan fwyaf o'r asedau hanesyddol yn ardal awdurdod cynllunio lleol yn cael eu gwarchod yn statudol. Fodd bynnag, maent oll yn cyfrannu i ryw raddau at ei diddordeb hanesyddol, archeolegol neu bensaernïol.

Gallai eitemau a gofnodir ar y CAH gynnwys safleoedd archeolegol anghofrestredig, adeiladau hanesyddol neu strwythurau anrhestredig, parciau a gerddi hanesyddol, meysydd brwydrau a thirweddau nad ydynt yn ymddangos ar y cofrestrau neu'r rhestrau perthnasol, neu leoliadau sy'n cynnwys tystiolaeth baleo-amgylcheddol bwysig. Gallent hefyd gynnwys lleoliadau nad oes ganddynt unrhyw dystiolaeth ffisegol weladwy, ond a allai fod yn gysylltiedig â chyfeiriadau hanesyddol, teipograffyddol

neu ddogfenol, enw lle neu arteffact archeolegol a ddarganfuwyd.

Mae rhai awdurdodau cynllunio lleol yn cynnal rhestrau o asedau hanesyddol o ddiddordeb lleol arbennig. Os oes rhestr o'r fath yn bodoli, mae'n rhaid i'r CAH gynnwys manylion diweddaraf pob eitem a gofnodir ar restr o'r fath.

Yn achos awdurdod cynllunio lleol arfordirol, y mae ei ardal yn cynnwys rhan o'r forlan, gall y CAH gynnwys unrhyw dreftadaeth forol yr ystyria'r awdurdod cynllunio lleol ei bod o ddiddordeb hanesyddol, archeolegol neu bensaernïol. Dylai'r CAH gynnwys dolen briodol i gofnod morwrol Cymru ar-lein a gynhelir gan CBHC, sy'n cynnwys safleoedd llongddrylliadau ac ardaloedd â photensial archeolegol mawr (gweler adran 3.3).

(ff) Gwybodaeth am y ffordd y mae datblygiad hanesyddol, archeolegol neu bensaernïol ardal yr awdurdod cynllunio lleol neu unrhyw ran ohoni wedi cyfrannu at gymeriad presennol yr ardal neu ran ohoni ac am sut y gellir diogelu'r cymeriad hwnnw.

Cymeriad Hanesyddol (ff)

Mae'n rhaid i'r CAH gynnwys unrhyw waith sydd wedi'i wneud i ddisgrifio nodweddion tirwedd hanesyddol

(gweler (dd) uchod hefyd), ond hefyd unrhyw waith disgrifio nodweddion sydd wedi'i wneud mewn amgylcheddau treflun neu amgylcheddau morlun.

Ymchwiliadau perthnasol (g)

Mae'n rhaid i'r CAH gynnwys manylion gwaith ymchwilio hanesyddol neu archeolegol sydd wedi'i wneud yn ardal yr awdurdod cynllunio lleol gan gynnwys canfyddiadau'r ymchwiliadau hynny. Gallai ymchwiliadau o'r fath gynnwys asesiadau desg, gwaith dadansoddi hanesyddol, arolygon

topograffig neu geoffisegol archeolegol ac ymyriadau archeolegol (gan gynnwys gweithgarwch casglu arteffactau arwyneb, cloddio tyllau arbrofol, cloddio ffosydd arbrofol, gwaith cloddio archeolegol a gwaith samplu paleo-amgylcheddol).

Mae'n rhaid i gynnwys CAH gael ei gofnodi mewn set ddata wedi'i mynegeo a gynhelir yn broffesiynol ac a gedwir ar system wybodaeth ddigidol briodol mewn fformatau testunol, graffig a map, fel y bo'n briodol.

Dylai fod systemau clir ar gyfer cyfeirio at wybodaeth ddiffiniol, statudol gyfredol a gwybodaeth arall sy'n ymwneud â'r amgylchedd hanesyddol a gedwir gan sefydliadau eraill a chael gafael ar y wybodaeth honno.

3.2 Terfynau Amser

Ni ddylai fod unrhyw derfynau amser ar y wybodaeth a gofnodir mewn CAH: dylai gynnwys data sy'n ymwneud â phob cyfnod, o'r gweithgarwch dynol cynharaf i'r presennol.

3.3 Terfynau Daearyddol

Diffinnir y rhain gan ffin weinyddol yr awdurdod lleol a gwmpesir gan CAH. Yn achos ardaloedd awdurdodau cynllunio lleol sy'n cynnwys arfordir, mae ymestyn cwmpas daearyddol CAH tua'r môr y tu hwnt i'r ffin weinyddol yn debygol o gynyddu cyfraniad yr awdurdod at brosesau Rheolaeth Integredig ar Barthau Arfordirol a chynllunio morol, yn ogystal â rhoi darlun mwy cyflawn o orffennol yr ardal. Er enghraifft, er mwyn cofnodi effaith erydu arfordirol neu gynnydd yn lefel y môr, sydd i'w priodoli i newid yn yr hinsawdd nawr ac yn y gorffennol, ar drefnadaeth ddiwylliannol. Fodd bynnag, bydd penderfyniadau o'r fath yn parhau i gael eu gwneud yn ôl disgrisiwn awdurdodau cynllunio lleol.

Mae CBHC yn cynnal cofnod morwrol Cymru sy'n cynnwys cofnodion llongau ac awyrennau a gollwyd ar y môr, ac ardaloedd â photensial archeolegol mawr. Mae'r cofnod hwn yn rhan o Gofnod Henebion Cenedlaethol Cymru ac mae ar gael i'w ddefnyddio gan yr awdurdod cynllunio lleol ac fe'i defnyddir gan Lywodraeth Cymru wrth wneud gwaith cynllunio ar y môr.

3.4 Sicrhau bod Cynnwys y Cofnod Amgylchedd Hanesyddol yn Gyfredol

Mae angen rheoli CAHau er mwyn sicrhau eu bod yn adlewyrchu natur yr amgylchedd hanesyddol sy'n newid a'n dealltwriaeth o'i arwyddocâd yn gywir.¹⁹ Rhaid i wybodaeth CAHau fod yn gywir, gan gynnwys:

- darganfyddiadau a dehongliadau newydd
- dynodiadau newydd a diwygiedig
- yr ymchwil a'r cyhoeddiadau diweddaraf
- cofnodion a chanlyniadau ymchwiliadau newydd
- newidiadau sylweddol i'r asedau hanesyddol a gofnodwyd eisoes.

Daw gwybodaeth o'r fath o amrywiaeth o ffynonellau, o ddarganfyddiadau ar hap gan aelodau o'r cyhoedd a darganfyddiadau annisgwyl gan berchenogion eiddo, datblygwyr a rheolwyr tir i ymchwiliadau systematig a wneir fel rhan o arolygon cenedlaethol, gwaith ymchwil a arweinir gan brifysgolion, gwaith maes a gwaith cofnodi a ariennir gan ddatblygwyr, prosiectau cymunedol neu ymchwil breifat.

Yn benodol, dylai awdurdodau cynllunio lleol sicrhau y caiff gwybodaeth am asedau treftadaeth a'r amgylchedd hanesyddol ehangach a gynhyrchir fel rhan o'r broses gynllunio ei hadneuo yn eu CAHau.

3.5 Casgliadau Cyfeirio Ategol

Mae angen i CAH gadw casgliadau o ddeunyddiau cyfeirio cyhoeddus a chopiau gwaith o ddeunydd archifol sy'n ategu'r wybodaeth ddigidol a geir yn ei gronfa ddata. Mae gan gasgliadau cyfeirio ategol rôl werthfawr i'w chwarae o ran ateb ymholiadau. Dylid cadw a chynnal casgliadau o dan amodau amgylcheddol ac amodau storio priodol er mwyn eu diogelu yn yr hirdymor.

Gall gwaith newydd ddatgelu gwybodaeth newydd y dylid ei hychwanegu at y cofnodion amgylchedd hanesyddol.

© Hawlfraint y Goron (2015), Cadw, Llywodraeth Cymru

3.6 Adneuo Deunydd Archif Sylfaenol

Dylai deunydd archifol gwreiddiol a reolir neu a gaffaelir gan y CAH (lle nad yw'r sawl sy'n cynhyrchu'r data yn gyfrifol am eu hadneuo a/neu nad oes unrhyw opsiynau gorfodi ar gael) gael ei adneuo gydag archif achrededig megis Cofnod Henebion Cenedlaethol Cymru. Gall CBHC gynnig cyngor a dylid ymgynghori ag ef yn gynnar lle y bo'n bosibl.

Gall ychwanegu cofebion rhyfel at gofnodion amgylchedd hanesyddol fod yn ddefnyddiol

4.1 Cydymffurfio â Safonau Data Cenedlaethol y DU

Mae'n rhaid i'r wybodaeth a geir mewn CAH gydymffurfio â safonau data cenedlaethol cyfredol ar gyfer gwybodaeth am yr amgylchedd hanesyddol.²⁰

Mae CBHC yn hwyluso'r gwaith o ddatblygu a chynnal safonau data yng Nghymru ac yn cynnull Gweithgor Safonau Data Amgylchedd Hanesyddol Cymru.

4.2 Rhannu Data

Dylai CAHau allu darparu data digidol, a'u derbyn a'u hymgorffori, mewn fformatau y bwriedir iddynt helpu i gyfnewid data rhwng systemau gwybodaeth cydnaws priodol. Yn benodol, dylent allu rhyngweithredu â

systemau GIS corfforaethol a systemau cynllunio cefn swyddfa'r awdurdodau cynllunio lleol a gwmpesir ganddynt.

Mae'r Fframwaith ar gyfer Cofnodion sy'n Ymwneud ag Amgylchedd Hanesyddol Cymru wedi'i sefydlu rhwng prif ddeiliaid y cofnodion amgylchedd hanesyddol yng Nghymru. Mae'r fframwaith yn seiliedig ar egwyddorion mynediad hawdd, rhannu data a chydweithredu er mwyn galluogi sefydliadau sy'n cymryd rhan i gael y wybodaeth sydd ei hangen er mwyn diwallu eu hanghenion busnes. Disgwylir i CAHau gyfrannu at y camau gweithredu a'r blaenoriaethau a nodir yn y fframwaith.

5. Mynediad Cyhoeddus ac Ymgysylltu â'r Cyhoedd

Mae adran 34 o Fil yr Amgylchedd Hanesyddol (Cymru) yn ei gwneud yn ofynnol i awdurdodau cynllunio lleol sicrhau bod eu CAHau ar gael i'r cyhoedd eu harchwilio ac ymateb i geisiadau rhesymol am gopïau o ran o'r cofnod. Mae hefyd yn ei gwneud yn ofynnol i'r awdurdod cynllunio lleol roi cyngor ar y wybodaeth a geir yn y cofnod a chymorth i adfer a deall y wybodaeth honno. O ganlyniad, mae'n rhaid i'w wybodaeth a gedwir mewn CAHau, gyda rhai eithriadau,²¹ fod ar gael i'r cyhoedd.

Fel arfer mae defnyddwyr CAHau yn cynnwys datblygwyr, ymgynghorwyr cynllunio/amgylcheddol, ymgymrwyr statudol, perchennogion eiddo, rheolwyr tir, ffermwyr, ymchwilwyr academiaidd, cymdeithasau lleol, haneswyr/ archeolegwyr amatur, athrawon, myfyrwyr ac aelodau o'r cyhoedd sydd â diddordeb — yn ogystal â gweithwyr proffesiynol ym maes yr amgylchedd hanesyddol sy'n gweithio yn y sector cyhoeddus, y sector preifat a'r sector gwirfoddol. O ganlyniad, mae'n bosibl y bydd angen cyfryngu a dehongli cynnwys confensiynol a chynnwys ar-lein, gan ddibynnu ar y defnyddiwr.

Mae'n debyg y bydd gan bob defnyddiwr anghenion penodol, a fydd yn gofyn am lefelau gwahanol o gymorth a mynediad amrywiol o ran amser. Er mwyn sicrhau'r lefel uchaf bosibl o fynediad cyhoeddus, bydd angen amrywiaeth o drefniadau mynediad, gan gynnwys, er enghraifft, gyfleusterau ar gyfer ymwelwyr â'r CAH ac ar gyfer ymddrin ag ymholiadau dros y ffôn ac ymholiadau electronig.

© Hawlfraint y Goron (2015), Cadw, Llywodraeth Cymru

Dylai staff CAHau allu darparu gwasanaeth effeithiol i bob defnyddiwr, tra'n rheoli galwadau eraill ar eu hamser. Dylid cyhoeddi amser ymateb penodol ar gyfer ymholiadau a dylid ystyried mai hwn yw'r amser ymateb hwyaf a ganiateir. Dylai CAHau fynd ati i wella'r gwasanaeth y maent yn ei ddarparu i ddefnyddwyr drwy gasglu adborth a gweithredu arno.

Dylai awdurdodau cynllunio lleol fynd ati i hyrwyddo mynediad i CAHau. Mae'n arfer da datblygu rhaglen allgymorth sy'n hyrwyddo'r CAH ac yn annog pobl i wneud mwy o ddefnydd ohono. Mae hyn yn hanfodol i wneud y canlynol:

- nodi a thargeddu cynulleidfaoedd newydd ar gyfer y CAH
- cadw ac annog defnyddwyr presennol CAHau
- creu cyfleoedd i gymunedau lleol gymryd rhan yn y gwaith o gynnal a gwella'r CAH
- datblygu synergeddau â gweithgareddau allgymorth a gyflawnir gan wasanaethau treftadaeth a gwasanaethau amgylcheddol eraill.

Mae'n rhaid i awdurdodau cynllunio lleol gyfeirio at eu gwasanaethau CAH ar eu gwefan.

Dylid hefyd sicrhau bod cynnwys perthnasol ar-lein hefyd ar gael drwy borth Cymru Hanesyddol a gynhelir gan CBHC, a phyrth priodol eraill, megis Archwilio.²²

6.1 Cynlluniau, Polisiâu a Gwasanaethau

Er mwyn rheoli CAH yn effeithiol, mae'n rhaid i wasanaethau CAH ddatblygu cynlluniau a pholisiâu perthnasol y cytunir arnynt ac a adolygir yn rheolaidd er mwyn cydymffurfio â'r safonau a'r meincnodau a nodir yn Atodiad 2.

6.2 Staff

Mae'n rhaid i ddarparwyr gwasanaethau CAH gyflogi staff curadol cymwys ac ymroddedig â chymwysterau priodol i lunio eu cofnod a'i ddiweddarau, a chyfathrebu'n effeithiol â'r cynulleidfaoedd amrywiol sy'n ei ddefnyddio.

Dylai'r staff gynnwys personél â'r cymwysterau a'r profiad sy'n briodol i gasglu, curadu a dehongli amrywiaeth eang o adnoddau gwybodaeth am yr amgylchedd hanesyddol a chyfryngu mynediad iddynt.

Mae'n hanfodol cynnal sgiliau staff CAH fel y gallant ddarparu gwasanaethau gwybodaeth a gwasanaethau cynghori o ansawdd uchel. Felly, dylai datblygiad proffesiynol parhaus (DPP) a hyfforddiant fod ar gael iddynt.

6.3 Seilwaith

Mae'n rhaid darparu digon o le er mwyn sicrhau gweithrediad effeithiol y CAH o ddydd i ddydd, gan gynnwys darparu ar gyfer mynediad cyhoeddus ac ar gyfer storio adnoddau annigidol. Mae'n rhaid rhoi gweithdrefnau storio data, diogelwch a rheoli risg cadarn ar waith er mwyn diogelu rhag ymddygiad maleisus, ei ganfod a'i gywiro fel y gall technoleg a gwasanaethau hanfodol wrthsefyll heriau aflonyddol megis ymosodiadau seibr. Dylai fod gan bob eitem o feddalwedd ddogfennaeth system glir a chyfredol, yn arbennig meddalwedd bwrpasol.

7. Codi Ffioedd

© Hawffraint y Goron (2015), Cadw, Llywodraeth Cymru

Mae'n rhaid darparu mynediad cyhoeddus i CAH am ddim. Fodd bynnag, mae adran 34 o Fil yr Amgylchedd Hanesyddol (Cymru)²³ yn darparu ar gyfer codi ffioedd am wasanaethau sy'n gofyn am adnoddau ac yn eu defnyddio, sef:

- darparu copi o ran o'r CAH, megis atgynhyrchu a chyflenwi copïau o wybodaeth a gedwir yn y CAH
- rhoi cyngor a chymorth, megis gwasanaeth â blaenoriaeth a ddarperir gan staff CAH
- llunio dogfennau sy'n cynnwys gwybodaeth a gafwyd o'r CAH, megis llunio adroddiadau yn seiliedig ar ddadansoddiadau o gynnwys CAH.

Bwriedir i ffioedd adennill costau'r gwasanaethau hyn. Mae'n rhaid nodi polisiau codi ffioedd mewn polisi mynediad i gofnodion (ynghyd ag unrhyw delerau ac amodau defnydd eraill, gan gynnwys hawffraint a threfniadau trwyddedu).

8. Cydymffurfiaeth

Mae'n rhaid i awdurdodau cynllunio lleol fodloni eu hunain bod cynlluniau a pholisïau sy'n ymwneud â'u cofnod yn cydymffurfio â deddfwriaeth berthnasol, gan gynnwys ond heb fod yn gyfyngedig i'r canlynol:

- Deddf Gwahaniaethu ar sail Anabledd 1995²⁴
- Deddf Diogelu Data 1998²⁵
- Deddf Rhyddid Gwybodaeth 2000²⁶
- Rheoliadau Gwybodaeth Amgylcheddol 2004²⁷
- Safonau'r Gymraeg²⁸

Mae'n rhaid i awdurdodau cynllunio lleol fodloni eu hunain bod polisïau ar gyfer rheoli eu cofnod yn cydymffurfio â chyfraith hawlfraint y DU.²⁹ Fel rheol

gyffredinol, dylid sefydlu hawlfraint mewn perthynas â chynnwys CAH a'i diogelu mewn ffordd sy'n sicrhau y bydd y cyhoedd yn gallu gwneud defnydd anghyfyngedig ohono yn y dyfodol.

Yn ymarferol, daw cynnwys o amrywiaeth eang o ffynonellau. Mae'n rhaid hysbysu'r rhai sy'n cyfrannu gwybodaeth y bydd ar gael i'r cyhoedd a dylai hawllidiad perchenogaeth hawlfraint gael ei lofnodi lle bynnag y bo'n bosibl.

Bydd angen i CAHau ystyried hawlfreintiau a thrwyddedau trydydd partiön sy'n ymwneud â deunydd a gaffaelir ganddynt er mwyn osgoi eu torri.

Atodiadau

Atodiad I: Cofnodion Amgylchedd Hanesyddol yng Nghymru

Yng Nghymru ar hyn o bryd mae pedwar CAH rhanbarthol a luniwyd ac a gynhelir gan y pedair ymddiriedolaeth archeolegol yng Nghymru (sef Clwyd-Powys, Dyfed, Morgannwg-Gwent a Gwynedd). Gyda'i gilydd, mae'r CAHau rhanbarthol hyn yn darparu catalog cynhwysfawr sy'n cynnwys tua 200,000 o gofnodion unigol o safleoedd archeolegol a hanesyddol a darganfyddiadau o bob cyfnod ledled Cymru.

Y pedwar CAH yng Nghymru yw disgynyddion uniongyrchol y cofnodion safleoedd a henebion a sefydlwyd yn y 1970au gan y pedair ymddiriedolaeth archeolegol yng Nghymru. Lluniwyd y cofnodion safleoedd a henebion er mwyn cynorthwyo rhaglenni gwaith yr ymddiriedolaethau ac mewn ymateb i'r ffaith nad oedd unrhyw wybodaeth archeolegol ar gael i berchenogion, datblygwyr a chynllunwyr a'r olion archeolegol a oedd yn cael eu colli o ganlyniad i hynny drwy ddatblygu trefol a gwledig.

Gyda'i gilydd, mae'r pedwar CAH hyn yn ymdrin yn gynhwysfawr â Chymru gyfan:

- CAH Clwyd-Powys (a gynhelir gan Ymddiriedolaeth Archeolegol Clwyd-Powys) — Sir Ddinbych, Sir y Fflint, Wrecsam, Powys, rhan o Barc Cenedlaethol Bannau Brycheiniog, rhan o Gonwy)
- CAH Dyfed (a gynhelir gan Ymddiriedolaeth Archeolegol Dyfed) — Sir Benfro, Sir Gaerfyrddin, Ceredigion, Parc Cenedlaethol Arfordir Penfro a rhan o Barc Cenedlaethol Bannau Brycheiniog
- CAH Morgannwg-Gwent (a gynhelir gan Ymddiriedolaeth Archeolegol Morgannwg-Gwent) — Abertawe, Castell-nedd Port Talbot, Rhondda Cynon Taf, Pen-y-bont ar Ogwr, Bro Morgannwg, Caerdydd, Merthyr Tudful, Caerffili, Blaenau Gwent, Sir Fynwy, Torfaen, Casnewydd a rhan o Barc Cenedlaethol Bannau Brycheiniog
- CAH Gwynedd (a gynhelir gan Ymddiriedolaeth Archeolegol Gwynedd) — Ynys Môn, Gwynedd, Parc Cenedlaethol Eryri a rhan o Gonwy.

Yn 2008, trosglwyddwyd perchenogaeth o'r CAHau rhanbarthol i bedair ymddiriedolaeth elusennol CAH. Fodd bynnag, mae'r CAHau yn parhau i gael eu rheoli a'u cynnal gan y pedair ymddiriedolaeth archeolegol yng Nghymru.

Mae mynediad cyhoeddus ar-lein i'r CAHau rhanbarthol ar gael drwy Archwilio.³⁰ Datblygwyd y system drwy bartneriaeth rhwng y pedair ymddiriedolaeth archeolegol yng Nghymru er mwyn darparu mynediad cyhoeddus ehangach i'r adnodd gwerthfawr hwn.

Atodiad 2: Safonau a Meincnodau Cofnodion Amgylchedd Hanesyddol

Mae'n rhaid i CAHau Cymru gyrraedd y safonau canlynol. Lluniwyd cyfres o feincnodau a ddefnyddir i asesu pob CAH. Datblygwyd y meincnodau gan CBHC ar ôl trafod â rhanddeiliaid allweddol.

Mae'r safonau yn ei gwneud yn ofynnol i CAHau fodloni meincnodau mewn pum maes allweddol, sef:

1. Archwilio
2. Cynnwys a chwmpas
3. Safonau data
4. Mynediad cyhoeddus ac ymgysylltu â'r cyhoedd
5. Darparu gwasanaethau

I. Archwilio

Meincnod 1: Archwiliad pum mlynedd sy'n mesur y CAH a'i wasanaethau yn erbyn y meincnodau. Blaengynlluniau blynyddol ar gyfer gwella gwasanaethau ac ymdrin â sylwadau o adborth defnyddwyr ac adroddiad archwilio bob pum mlynedd.

Dangosyddion:

- a) Archwiliad o wybodaeth bob pum mlynedd er mwyn adolygu cydymffurfiaeth â meincnodau'r CAH, asesu ansawdd data a nodi anghenion o ran gwella.
