### 1. The Bill's general principles

#### 1.1 Do you support the principles of the [Curriculum and Assessment \(Wales\) Bill](#)?

No

#### 1.2 Please outline your reasons for your answer to question 1.1

*(we would be grateful if you could keep your answer to around 1500 words)*

I do not support the proposed mandatory curriculum on Relationships and sexuality education. Taking away a parents choice/ right to remove their child from this class is unacceptable in my opinion. I believe primary and infant school age children are too young to be involved in this kind of teaching, I know my son is definitely too young to be learning anything about Sex! Are we trying to Desensitize them or something?! Seriously considering removing my child from school entirely because of this decision being made by yourselves.

#### 1.3 Do you think there is a need for legislation to deliver what this Bill is trying to achieve?

*(we would be grateful if you could keep your answer to around 500 words)*

Mental distress to anyone who is not open to these kinds of things in a social setting.

All I have to say is it's a disgrace that you think it's appropriate to remove parents rights to remove their child from RSE lessons. If this legislation goes ahead I will deregister my child for home schooling. Young children don't need to learn this until and appropriate age and surely it's up to the parent when to speak to their child about such sensitive subjects.
