Inquiry into the impact of the Covid-19 outbreak on
children and young people in Wales

COV 153a
Response from: Individual

In addition to the email I sent yesterday, please read the evidence and data in the study linked below, which provides weight to the argument that it is safe for children to return to school in September, as long as transmission rates in the community remain at their current low levels.

https://www.ecdc.europa.eu/en/covid-19/latest-evidence/transmission?fbclid=IwAR1KiEf6COeItYZa2PuFseIFRcjDU2_wW4W2oaSw3qss4E-v0QpZK3eTtIQ
