

## Consultation on the Curriculum and Assessment (Wales) Bill

Evidence submitted to the [Children, Young People and Education Committee](#) for Stage 1 scrutiny of the Curriculum and Assessment (Wales) Bill.

### About you

Individual

### 1. The Bill's general principles

#### 1.1 Do you support the principles of the [Curriculum and Assessment \(Wales\) Bill](#)?

No

#### 1.2 Please outline your reasons for your answer to question 1.1

*(we would be grateful if you could keep your answer to around 1500 words)*

Why should children be learning about masturbation at such an early age? It's sickening! This is not education, it's sexualisation. Why is it being encouraged that children are forced to learn about anal sex, facial ejaculation and bondage before the age of 16? Why does the curriculum include issues around consent being taught to children at such a young age? Children cannot consent to sexual activity or penetration. Stick with the facts, it's child abuse and rape.

I have spoken to staff at schools at they are not even aware of the proposed curriculum. Shouldn't schools be consulted on this?

The proposed curriculum and legislation opens the door for grooming and abuse of children and should never be allowed in schools.

#### 1.3 Do you think there is a need for legislation to deliver what this Bill is trying to achieve?

*(we would be grateful if you could keep your answer to around 500 words)*

The bill shouldn't even be proposed. Parents should always have the final say over what children learn. Let children be exactly that; children! Not be tarnished with filth.

### 2.1 Do you have any comments about any potential barriers to implementing the Bill? If no, go to question 3.1
