

Consultation on the Curriculum and Assessment (Wales) Bill

Evidence submitted to the [Children, Young People and Education Committee](#) for Stage 1 scrutiny of the Curriculum and Assessment (Wales) Bill.

About you

Individual

1. The Bill's general principles

1.1 Do you support the principles of the [Curriculum and Assessment \(Wales\) Bill](#)?

No

1.2 Please outline your reasons for your answer to question 1.1

(we would be grateful if you could keep your answer to around 1500 words)

Difficult to understand. RSE a mandated subject with less than a page of literature, never featured full time on any timetable ever, very little literature or documentation to support such a change. No opt out for parents is a breach of rights

1.3 Do you think there is a need for legislation to deliver what this Bill is trying to achieve?

(we would be grateful if you could keep your answer to around 500 words)

What exactly is it trying to achieve? You've mandated a subject which only has evidence of a global roll out. I've seen the links to UNESCO. This bill supports a slippery slope to sexualising children, Dr's from all around the world are rejecting this.

2. The Bill's implementation

2.1 Do you have any comments about any potential barriers to implementing the Bill? If no, go to question 3.1

(we would be grateful if you could keep your answer to around 500 words)

I think you'll see a fall in attendees if this legislation goes through. Some of us question what we read

2.2 Do you think the Bill takes account of these potential barriers?

(we would be grateful if you could keep your answer to around 500 words)

The bill had no idea we've been waiting for this, hence why it thinks it can sneak it passed

3. Unintended consequences

3.1 Do you think there are there any unintended consequences arising from the Bill? If no, go to question 4.1

(we would be grateful if you could keep your answer to around 500 words)

Many.

Government will collapse at the next election.

4. Financial implications

4.1 Do you have any comments on the financial implications of the Bill (as set out in Part 2 of the [Explanatory Memorandum](#))? If no, go to question 5.1

(we would be grateful if you could keep your answer to around 500 words)

-

5. Powers to make subordinate legislation

5.1 Do you have any comments on the appropriateness of the powers in the Bill for Welsh Ministers to make subordinate legislation (as set out in Chapter 5 of Part 1 of the [Explanatory Memorandum](#)). If no, go to question 6.1.

(we would be grateful if you could keep your answer to around 500 words)

I don't think you should have this power because we don't want RSE mandated for

6. Other considerations

6.1 Do you have any other points you wish to raise about this Bill?

(we would be grateful if you could keep your answer to around 1000 words)

Disappointed
