Dear Helen Mary

**Letter from the Minister for Lifelong Learning and Welsh Language: Youth Work**

You will be aware that the Children, Young People and Education Committee wrote to the Minister for Lifelong Learning and Welsh Language on 25 May, seeking information relating to our ongoing scrutiny of Youth Work in Wales. The Minister has now responded, and I attach a copy of his response for your information.

I would be very grateful for your views on the Minister's response, to help inform the Committee's on-going consideration of this matter. The Committee will be considering the Minister's response during its meeting on Wednesday 28 June. I apologise for the very short notice, but it would be helpful if you could provide a response, or an early indication of any concerns you may have, by close on Tuesday so that they may be taken into consideration during the meeting next week.

Yours sincerely

**Lynne Neagle AC / AM**  
**Cadeirydd / Chair**
