Dear William

Thank you for your letter of 13 November concerning the petition from Wales Somaliland Communities Link. I am delighted that the group has engaged with the Assembly and agree with them that Wales is certainly a country that has a love for poetry. Poetry is rooted in our culture and celebrated in various forms including at our Eisteddfodau which is acknowledged in the petition. Please pass on my thanks to the Wales Somaliland Communities Link for bringing this shared cultural interest to our attention.

Rosemary
