- *What are your views on the arrangements for Cross-Party Groups in the Senedd?*

Our experience is limited to a single CPG, which is in its first year of operation. To date we have found this group open, welcoming, informative and inclusive. The present arrangements appear robust. The demand to participate in the CPG is high, and access to a greater physical space in which to conduct the group would be a welcome enhancement.

- *Have you got any concerns or encountered any problems with the arrangements? If so what?*

We have no concerns.

- *Do the current rules reflect the functions and responsibilities of Cross-Party Groups, as you understand them?*

Yes, the rules align to our understanding of the functions and responsibilities of CPGs

- *Are there any further steps that could be taken to increase transparency for Cross-Party Groups? If so, what?*

None at this time.
