Dear Sir/ Madam,

I would like to add my voice and that of my husband to support the ban of ALL snares in Wales. As animal lovers we find the use of snares absolutely abhorrent. The pain and suffering they inflict on our wildlife is barbaric and has no place in a civilised society. Our wildlife is precious and should be protected from hunting and all forms of traps. In our opinion there is no such thing as a humane trap and we would urge the Senedd to reject all efforts to consider them. Only a total ban is good enough.

Yours sincerely,

Julia & Neil Anderson
