Your opinion

How important is outdoor education to children and young people's overall education and development?

Very important

What are the main benefits to children and young people from having a residential outdoor education experience?

To enhance the physical health and mental wellbeing of children.

To give the children a chance to secure a feeling of belonging and wellness in the outdoor environment.

To give the children a chance to work together and feel a part of a whole school group community.

Should children and young people have a guaranteed opportunity to participate in a residential outdoor education experience, at some stage during their school years, if they wish to?

Yes

Should an opportunity to participate in a residential outdoor education experience, at some stage during their school years, be free of charge on one occasion to pupils?

Yes

What are the main barriers which you believe currently exist to children and young people accessing residential outdoor education experiences?

Financial constraints;Disabilities;Additional Learning Needs;Patental anxiety / uncertainty;

Equality Considerations: Could the proposed Bill have any positive impacts on some children and young people in particular? If so, who and why?

I feel in particular the children who would benefit most are the ones who would previously have been excluded for reasons of lack of finance or disabilities.

Equality Considerations: Could the proposed Bill have any negative impacts on some children and young people in particular. If so, who and why? What could this Bill do to mitigate any negative impacts?

if handled correctly i think the chance of negative impacts would be minimal

What age do you believe is most suitable for children and young people to be offered an opportunity to undertake a residential outdoor education experience?

Year 6 (age 10-11)

Is four nights/five days the best length for a residential outdoor experience?

Yes

Please explain your answer and highlight any possible implications from having a standard approach of four night/five day experiences (whether positive or negative).

Making it a standard four nights would be fairer and would give children the chance to gel as a group

Do you agree there is a need for legislation to ensure all children and young people are given an opportunity to access a residential outdoor education experience, at some stage during their school years?

Strongly agree

Is there anything else you would like to say about this proposal?
