None sorry

I despise this law and think it should not be approved if a child does not want to go on a trip then they should not have to go on a trip because I myself hated my outdoors trip as I was not allowed home my

teacher lied to me and said that he called my mum and she said that she couldn't wait to pick me up on Friday which is the day i returned home and my teacher never called my mum to ask her to pick me up which has made me loose my trust in that teacher.
