Your opinion

What are the main good things for children about having an overnight outdoor education visit?

I think that its good for them to overcome there fear and be with there friends and teachers for a couple days and not there mums and dads because maybe they don't like being somewhere without there parents.

What gets in the way of children taking part in overnight outdoor education visits?

Children feeling anxious; Cost; Health or disability; Parents worrying; Friends not going;

How can people make sure children have the best possible time at overnight outdoor education visits?

Make sure they are having a fun time and there happy because they might be feeling anxious about something so they can make them feel better and have fun doing different things/activities

On a scale of 1 to 10, how important is it for all children have the chance to do a free overnight outdoor education visits at some time?

7

What is the best age or year to go

year 4 year 5 year 6 and up

How long should the trip be for?

3 or 4 days

Which groups of children would get the most out of taking part in an overnight outdoor education visit, and why?

I think it should be equal for everyone to go on trips and do activities

Should it be a law that children can go on at least one free overnight outdoor education visit?

Maybe

Please tell us any other ideas that should be in the new law

I think people that don't have a lot of money should at least have an opportunity to go on the trips to have fun as well so i think trips should not be to much money so that everyone can go and be happy.
