Your views

1. What are your views on the Committee's three strategic priorities: Climate Change; Sustainable Communities; and Protecting and enhancing the natural environment?

I agree with the priorities.

2. To what extent are the Committee's three strategic priorities still relevant, reflecting on social, economic and environmental developments since they were set at the start of the Sixth Senedd?

They are still relevant.

3. What are your view on the Committee's detailed priorities/outline programme of work for Years 3 to 5 of the Sixth Senedd (set out in its report, Priorities for the Sixth Senedd?)

I agree with the priorities.

4. To what extent are the Committee's detailed priorities/outline programme of work still relevant, reflecting on social, economic and environmental developments since they were set at the start of the Sixth Senedd?

I agree.

5. Are there any other matters related to the Committee's priorities/work programme/ways of working that you would like to comment on?

Concern is raised at the speed of introduction of electric vehicles (too soon) or rather the cessation of sales of petrol vehicles as the charging infrastructure is not in place - nor is the alternative public transport systems or infrastructure.

6. Other information

Concern also at the lack of maintenance of the existing transport network.
