### **Your views**

#### **1. What are your views on the Committee's three strategic priorities: Climate Change; Sustainable Communities; and Protecting and enhancing the natural environment?**

---

Completely agree, need to ensure that one doesn't inhibit other.

#### **2. To what extent are the Committee's three strategic priorities still relevant, reflecting on social, economic and environmental developments since they were set at the start of the Sixth Senedd?**

---

More so!

#### **3. What are your view on the Committee's detailed priorities/outline programme of work for Years 3 to 5 of the Sixth Senedd (set out in its report, Priorities for the Sixth Senedd?)**

---

In my view these could be simplified and rationalised, making them more outcome and action focused. How our communities will thrive despite a changing climate?

#### **4. To what extent are the Committee's detailed priorities/outline programme of work still relevant, reflecting on social, economic and environmental developments since they were set at the start of the Sixth Senedd?**

---

Relevant.

#### **5. Are there any other matters related to the Committee's priorities/work programme/ways of working that you would like to comment on?**

---

No response.
