What do you think about the new voting system?

I believe it will be clearer to understand to be able to get the representatives in to reflect what the people have voted for

What do you think about increasing the number of Members from 60 to 96?

I believe there should reflect the needs of the Senedd although if the costs are arising too much to reflect the outward economic impact than it is unnecessary

Would any of the changes in the Bill make you more or less likely to want to stand for election as a Member of the Senedd?

I do believe that the representatives should live within Wales if they are to represent the needs of the Welsh people

Is there anything else you would like to tell us about the Bill (we would be grateful if you could keep your answer to around 500 words)?
