Dear Mark

Children and Young People Committee – Inquiry into Children’s Oral Health

I am writing to inform you that, at its last meeting, the Children and Young People’s Committee agreed to launch a short inquiry into children’s oral health. Full details of the inquiry will be published on the Committee’s website in due course—

<http://www.senedd.assemblywales.org/mgCommitteeDetails.aspx?ID=224>

Whilst the subject matter of the inquiry falls within the remit of the Children and Young People’s Committee, I appreciate it is something that members of the Health and Social Care Committee may be interested in. With that in mind, I am happy to share any evidence we receive with your Committee, and would welcome any members of your Committee who would like to participate in our oral evidence sessions early in the autumn term. Do get in touch with me, or with the Clerk, Sarah Beasley, if you would like to discuss further.

Yours sincerely

Christine Chapman
Chair
