Holiday Caravan Sites (Wales) Bill
Response from: Anchorage Caravan Park

Christine Chapman AM
Chair, Communities, Equality and Local Government Committee,
National Assembly for Wales

Dear Ms Chapman,

Our family own and run the Anchorage Caravan Park in Bronllys, near Brecon, Powys. This is a residential, holiday and touring park.

We are writing to you to express our concerns over the consultation on the Holiday Caravan Sites (Wales) Bill. Our trade association, BH & HPA has already responded on behalf of its members and we totally endorse their concerns.

We ask please that you ensure our park business is not placed at competitive disadvantage, jeopardising the direct and indirect employment we sustain.

Yours sincerely,

Blodwen, Stephen & Nicholas Powell
Proprietors
