Inquiry into recycling in Wales
Response from: Dafydd Brown

Dear Sir/Madam,

I've just read in my local newspaper about the current consultation on the above subject.

I think the Vale of Glamorgan Councils co mingling approach is correct especially as it appears as though it's also cheaper than separating my recycling into various piles. I think it's a lot easier for me and I believe there would be a greater uptake in recycling if all authorities followed the Vale's approach.

Regards,

Dafydd Brown
