Dear 

Thank you for your letter dated 20 November, sent on behalf of the Children, Young People and Education Committee. The letter refers to a survey carried out by your committee which asked young people their opinions on a wide range of topics relating to their education.

I am very grateful to the Committee for bringing this to my attention and for sharing with me the findings of your recent survey. Having gathered over a thousand responses from those currently within the Welsh education system it will certainly be of great interest to me as I formulate my recommendations for the Minister for Education and Skills.

Listening is at the heart of my review and should your committee wish to provide me with any further information in relation to this issue I would be more than happy to receive it. Any further information can be sent to me by email to CurriculumReview@wales.gsi.gov.uk or by post to the Review of Assessment and the Curriculum, Welsh Government, Cathays Park 2, Cardiff, Wales, CF10 3NQ.

Yours sincerely

Professor Donaldson
