Dear Counsel General

Publication of Welsh legislation: the Queen's Printer

Thank you for your letter dated 6 May. As you will be aware, the Constitutional and Legislative Affairs Committee is currently undertaking an inquiry on the making of laws during the Fourth Assembly and it may be useful if Carol Tullo gave evidence about her role as the Queen's Printer as part of that work. The Clerk of the Committee will contact her shortly to make the necessary arrangements.

**Dame Rosemary Butler AM
Presiding Officer**
