Dear Mike,

Thank you for your letter of 20 October regarding Penegoes Speed Limit Petition P-05-721.

Our Trunk Road Safety Review concluded that the current speed limit on the A489 near Penegoes is appropriate and should be retained. You can see the full results of the review online using the following link: <http://www.traffic-wales.com/Trunkroadsafetyreview.aspx>.

Speed limits on the trunk road network have been reviewed in line with the Setting Local Speed Limits in Wales guidance, which you can see on our website using the following link: <http://gov.wales/docs/det/publications/091105speedlimitguidelinesen.pdf>.

Ensuring the safety and reliability of the trunk road network is one of my key priorities and we regularly review collision data to establish the need for road safety improvements. I have passed the details of the petition to my officials, who will take it into consideration as part of this ongoing work.

Yours ever,
Ken
