Question	Answer
01	Yes
02	Yes
03	Yes
04	Yes
05	Should ensure that the strategy is right on completion and therefore if it takes longer than 6 months then this would be acceptable. Better to get it right than have to revisit and delay further.
06	The same would apply to this as question 5.
07	
08	Yes
09	Yes – Each assessment should be individual to each person as they may have more than just one condition.
10	Yes
11	Any other qualified professional deemed appropriately required. The list should allow for growth and should not be prescriptive.
12	Funding, lack of trained professionals and “parents”.
13	Yes – New GDPR rules may cause an issue with collecting personal data in the future
14	All of the information above appears reasonable. However, Members felt it should fit with equal opportunities

	legislation and care should be taken with the information once collected.
15	Members feel it should be written in both
16	Yes
17	It should happen all the time – With a booster campaign every 3 years
18	Members believe it will be a good thing and would help increase the general understanding of ASD.
19	Members consider this bill to be much needed and long overdue and welcome it.
