05	6 months is just right. It's better to get it right the first time so spend the right amount of time on it
06	6 months would be better. It is better to write it carefully and you should take all the time you need to do this.
07	3 months is too long. You should have things organised already. This should already be practice. People will know that the Bill and strate is coming out so they should be ready before 3 months.
