Question	Answer
01	Yes
02	Yes
03	Yes
04	Yes
09	Yes
10	Yes
12	sensory differences, communication issues e.g. not being able to access their GP because of non autism friendly environment
13	Yes
14	all of the above + any comorbidities or misdiagnosis of other mental health conditions before the diagnosis of ASD
15	It should be written on the Bill.
16	Not sure If it is done to benefit the patient and with their informed consent on how the information will be used then this is okay.
17	It should happen all the time. Take advantage of autism awareness month by celebrating autistic talents and differences. Teach businesses and organisations how to become more autism friendly and raise awareness of autism within schools (eg. in assemblies)
