Question	Answer
01	Yes
02	Not sure It feels like this is a pacifier to those who live with neuro developmental conditions other than autism who have voiced concern that support services could be taken away. Why not agree on, and add specific nd disorders to the original bill? As a parent o
03	Yes
04	Yes This would ensure consistency amongst LAs in Wales and people would find themselves subjected to a postcode lottery where some LAs closely follow the guidance and others use it more loosely. It would also mean people moving from one LA to another could fe

13	Yes
14	All of the above.
15	It should be written in the guidance.
16	Not sure
17	It should happen all the time.
18	Good. I think it would give clear guidelines for how autism should be treated and adjustments that should be made. Those living with autism will be able to better understand their entitlements pre and post diagnosis.
