Please refer to questions in the [Online Survey](#).

Question	Answer
01	No autism varies in each individual it is a very diverse condition
02	Not sure
03	Yes
04	Yes
05	no
06	no
07	no
08	The welsh government should set the timescale guidelines. There are presently children in wales waiting up to a year for a referral in order to start the diagnostic process which is disgraceful as early intervention is key.
09	Yes
10	Yes
11	a paediatrician
12	anxiety, not understanding what they have to do to access services
13	Yes
15	It should be written in the guidance.
16	No
17	It should happen all the time.
18	it will depend on the actual detail in the final bill, the outlines dont give much information.
19	There is a lot of emphasis these days on autism awareness, which is not a bad thing but it is all hot air when people with autism cannot access services they need. please have a look at how many children in wales with autism are not in education as they c
